Emerald Tablet Of Hermes The:

Emerald Tablet of Hermes Hermes, The Tablet probably first appeared in the West in editions of the psuedo Aristotlean *Secretum Secretorum* which was actually a translation of the *Kitab Sirr al Asar* a book of advice to kings which was translated into latin by Johannes Hispalensis c 1140 and by Philip of Tripoli c 1243 Other translations of the Tablet may have been made during the same period by Plato of Tivoli and Hugh of Santalla perhaps from different sources The date of the *Kitab Sirr al Asar* is uncertain though c 800 has been suggested and it is not clear when the tablet became part of this work Holmyard was the first to find another early arabic version Ruska found a 12th centruy recension claiming to have been dictated by Sergius of Nablus in the *Kitab Ustqus al Uss al Thani* Second Book of the Elements of Foundation attributed to Jabir Shortly after Ruska found another version appended to the *Kitab Sirr al Khaliqa wa San at al Tabi* a Book of the Secret of Creation and the Art of Nature which is also known as the *Kitab Balaniyus al Hakim fi l Ilal* book of Balinas the wise on the Causes It has been proposed that this book was written may have been written as early as 650 and was definitely finished by the Caliphate of al Ma mun 813 33 Scholars have seen similarities between this book and the Syriac Book of Treasures written by Job of Odessa 9th century and more interestingly the Greek writings of the bishop Nemesius of Emesa in Syria from the mid fourth century However though this suggests a possible Syriac source non of these writings contain the tablet Balinas is usually identified with Apollonius of Tyna but there is little evidence to connect him with the *Kitab Balabiyus* and even if there was the story implies that Balinas found the tablet rather than wrote it and the recent discoveries of the dead sea scrolls and the nag hamamdi texts suggest that hiding texts in caves is not impossible even if we did not have the pyramids before us Ruska has suggested an origin further east and Needham has proposed an origin in China Holmyard Davis and Anon all consider that this Tablet may be one of the earliest of all alchemical works we have that survives It should be remarked that apparantly the Greeks and Egyptians used the term translated as emerald for emeralds green granites and perhaps green jasper In medieval times the emerald table of the Gothic kings of Spain and the *Sacro catino* a dish said to have belonged to the Queen of Sheba to have been used at the last supper and to be made of emerald were made of green glass Steele and Singer 488

The Emerald Tablets of Thoth-The-Atlantean, 2002. The Spiritual Occult and Historical significance of the Emerald Tablets is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author Thoth, a Master Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language, and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret but now in this New Age revealed to all Seekers on the Path of Light. Dr. M. Doreal, M.S.D. Psy.D., is the Spiritual Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College, The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind, who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school accredited through the State of Colorado and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully the step-by-step progression all Seekers have searched for in their quest for Oneness with God and for attainment of Cosmic Consciousness. Read, believe or not, but read, and the vibration found therein will awaken a response in your soul. Doreal.
