Handbook of Multicultural School Psychology Emilia C. Lopez, Sara G. Nahari, Sherrie Proctor, 2017-03-16

The second edition of the *Handbook of Multicultural School Psychology* continues the mission of its predecessor, offering a comprehensive interdisciplinary view of the field of multicultural school psychology and addressing the needs of children and families from diverse cultural backgrounds. The revised organizational structure includes the following: History and Professional Issues; Consultation and Collaboration; Interventions Focused on Academic and Mental Health Issues; Data-based Decision Making; Systems-based Issues; Training and Research; and Future Perspectives. Nineteen of the volume's twenty-three chapters are completely new to this edition, while the rest have been effectively revised and updated. Comprehensive. In seven sections, this book covers theoretical research and practical concerns in a wide range of areas that include multicultural and bilingual issues, second language acquisition, acculturation, parent collaboration, research, and systemic issues. Chapter Structure. Chapter authors follow a uniform structure that includes theoretical and research issues and implications for practice. Recent practice and training guidelines including Blueprint for Training and Practice III, 2006 NASP Model for Comprehensive and Integrated School Psychological Services, 2010, and APA Multicultural Guidelines, 2003, are covered. Interdisciplinary Perspective. Contributing authors are from a wide range of related fields that include school psychology, special education, general education, early childhood education, educational psychology, clinical psychology, counseling, and mental health, thus exposing readers to theory and research from various approaches. Changes New to this edition is a section focusing on systemic issues such as overrepresentation of culturally and linguistically diverse CLD students in special education, prejudice response to intervention, RTI for CLD students, and English Language Learners (ELL), and end-of-chapter discussion questions. This book is ideal for graduate courses and seminars on multicultural school psychology. It is also a useful reference for researchers and practicing school psychologists and the libraries that serve them.

Handbook for Social Justice in Counseling Psychology Rebecca L. Toporek, Lawrence Gerstein, Nadya Fouad, Gargi Roysircar, Tania Israel, 2005-12-08

Counseling psychologists often focus on clients' inner conflicts and avoid getting involved in the clients' environment. This handbook encourages counseling psychologists to become active participants in changing systems that constrain clients' ability to function. Besides actual programs, the contributors cover research, training, and ethical issues. The case examples showing how professionals have implemented social action programs are particularly valuable. This book provides an outline for action not only for psychologists but also for social workers, politicians, and others interested in improving the lot of disadvantaged populations. Summing up. Recommended. Graduate students, researchers, professionals. W. P. Anderson, emeritus, University of Missouri.
