Buttons address them in a calm and loving way and most importantly get rid of them I've also been able to take the information given in the book and pass it on to my children to help them overcome their Buttons Dr Goodwin gives the reader all the tools they need to live happier healthier lives starting immediately I highly recommend this book it is a must for any person who is interested in improving his or her quality of life and getting rid of those buttons Jodie Wilkerson from Greenville NC Get Ready to Unbutton and Be Free Button Therapy a MUST HAVE for any mental health professional and or the lay person I have found many insights in this book and I have recommended it to just about everyone I know I think that Dr Goodwin has hit the button on the head and has loosened its thread with his insightful caring explanation of our Buttons and how to deal with them I find myself referring to it regularly in my business Thanks Lloyd I am happier my clients are happier and we all understand others and ourselves better now that we have read your book We will all be looking forward to your next work Suzanne Osborne Ph D Clinical Psychologist Forensic Psychologist Criminal Profiler Counselor from North Myrtle Beach SC A Model for Personal and Spiritual Growth The Button Therapy Book is a creative synthesis of Eastern and Western models for personal and spiritual growth An incredible compilation and synthesis of psychological self help techniques You would have to read 10 books to get the information and number of self help techniques presented in this book I've personally benefited from applying this practical six step self help model to some of my Buttons The chapter titled 30 Seeds for Your Mind's Garden is worth the price of this book alone The 30 Seeds are guidelines that have been helpful in my journey of personal and spiritual growth Planting these life enhancing seeds into the gardens of our minds enables us to become more conscious aware loving and compassionate This is simply the best psychological self help book I've ever read I've already recommended this book to my friends An excellent read Patricia Pollard M P A Administrator from Health Sciences Personnel Brody School of Medicine East Carolina University Greenville NC Button Therapy Book Good for Self Helpers and Professionals Goodwin has written a very readable book which includes a thorough compilation of respected authors therapists and philosophers Those views augmented with his many years of counseling experience provide a useful theoretical and practical book for both the mental health professional as well as the individual seeking a good self help reference and guide including inventories in the appendix Stephen K Creech Ph D Mental Health Professional and Musician from Winterville NC Button Therapy I was excited to see three decades of counseling theories approaches and strategies in mind body therapy brought together in one resource that is readable and accessible for either the lay reader or counseling professional This book is unique because it combines psychological research with very usable self assessments and self help techniques that can be applied in the real world The element that I found most helpful are the 30 Seeds for Your Mind's Garden in Chapter 21 This presents a summary and cognitive guideline of living life most effectively to its fullest potential Mark Stebnicki Rh D LPC CRC CDMS Professor and Director Rehabilitation Counselor Education Program East Carolina University Greenville NC A Fantastic Book A super way to learn how to deal with all the Buttons and Button Pushers in your

life Learn to be a happier healthier and hopefully a better person all around Ned Petrak Financial Advisor Goldsboro NC  
CONGRATULATIONS Congratulations Dr Goodwin You ve done a wonderful job I like the holistic nature of this cognitive  
behavior therapy model The vast majority of clients I have worked with see themselves as pawns in this world being blown  
from one situation to the other with minimal control They often experience their emotions and actions as responsive to  
external forces rather than behavioral choices over which they have control The Button Therapy Book teaches that the locus  
of most situations is internal and therefore under our control Most of us are spiritually empty I am very positive that they will  
be able to fill that spiritual void by reading The Button Therapy Book I will recommend this book to any mental health  
professional I know Agyenim A Boateng M S CRC CCAS LPC Mental Health Professional from Pinehurst NC An Excellent  
Guide To Feeling Good The Button Therapy Book provides techniques that will immediately lift your spirits and help you  
develop a positive outlook on life Everyone has Buttons and Button Pushers Dr Goodwin provides a framework to recognize  
the cognitions i e thoughts beliefs etc attached to Buttons that produce negative results Through the 21 Button removal  
strategies described in the book empowerment is accessible A great tool box for those working in the mental health field as  
well as for anyone seeking personal growth If you have the desire to dance to the music of the universe instead of dancing  
every time somebody pushes your Buttons buy it read it you deserve it Sharon Williams from Washington NC Tired of Getting  
Your Buttons Pushed The Button Therapy Book is an excellent life enhancement manual I highly recommend it Its  
foundations are based on the teachings of Buddha Jesus Christ and Ken Keyes Jr The Button Therapy Book also nicely wraps  
up the best of the best literature from prominent psychologists philosophers and modern day shamans The fewer Buttons

**Healing the Feminine** Lesley Irene Shore,1995 Chronicles the struggles and triumphs of a psychologist and her clients
