financially and that includes Sarah's Sweets Abbey's aunt's bakery. The shop's advantage aside from the deliciousness of its products is the fact that it's the only bakery in the area. But it looks like that's about to change. The second wife of a wealthy businessman wants her own bakery and money is no object. When murder unravels the plans for the competing shop, Aunt Sarah is an immediate suspect and Hideaway Grove's merchants are on pins and needles about a big upcoming women's conference fearing the organization will cancel their booking because of the crime. Abbey's doing her best to stay optimistic and stitch some custom tote bags for the attendees but she's also concerned with patching up Aunt Sarah's good reputation.
