Handels Messiah:

Athnos, 2023-04-06 We think we know Handel's Messiah having heard it or performed it so many times But is there another way to look at this masterpiece Who assembled the texts Why How did Handel incorporate his own spiritual understanding of the texts In this treatise we view the composition from the same Baroque aesthetic perspective the composer used the Doctrine of Affections an approach heretofore unexplored in relationship to Handel's Messiah which held that every major and minor key prompted a particular very specific and involuntary emotional and spiritual response in the listener When facing a choice between following the accepted rules of musical composition or using the Affect best suited to the scriptural text Handel almost exclusively chose the Affect in other words he chose spiritual insight over compositional tradition Overlaying the various Affects on each movement of Handel's composition we discover the true heart and spiritual depth of the composer's magnum opus **Handel's Messiah** George Frideric Handel, 1900 *Handel's "Messiah" from Scratch* George Frideric Handel, 2003 The first CD in this four-volume edition features a professional recording of all the choruses from Messiah the second includes vocal warm-ups teaching exercises and slowed down versions of difficult sections The books offer advice and various learning strategies for amateur singers *Handel's Messiah* W.
