Unfortunately with her razor wit and acid tongue she's better suited to dishing out insults than winning votes. When she brashly bets her classmate Logan that she can go two weeks without uttering a single insult, Samantha immediately realizes that she may have bitten off more than she can chew. And when her current boyfriend dumps her less than three weeks before the prom, it couldn't be a worse time to be forced to keep her opinions to herself. Finding a new boyfriend will be a challenge now that Logan shadows her every move, hoping to catch her slipping back into her old ways. Samantha is determined to win the election and find a dream date for the prom, no matter what it takes. After all, all's fair in love and war and high school.

**Love and Promise** Khaled Fayyad, 2016-10-25 Michael is a middle-aged man standing at a crossroads. Recently separated from his wife and desperate to seek a distraction from his chronic pain, the father of three begins playing an online card game with a woman living a thousand miles away. Although he has never met or seen Anna before, her presence quickly reaches the depths of his heart and begins transforming his life. Beginning from the moment they meet, Michael and Anna become nearly inseparable. Suddenly, Michael is no longer a recluse living with pain; Anna brings not only companionship but also renewed hope and a belief in a brighter tomorrow. As they become closer and a love story unfolds, Michael embarks on a poetic journey where he takes to his pen in an attempt to understand his growing feelings and contemplate the ways love can bridge divides and heal wounds. But when the trust between Michael and Anna is eventually tested, he must face an agonizing choice: whether to define their love or surrender to the abyss that has already begun to claim him. **Love and Promise** shares a contemporary tale that begins with a chance meeting on the internet and leads a lonely man on an introspective journey through his deepest emotions.

The lingerie store where they both work might threaten to ruin it all though.
