Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ

answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

A Million Little Miracles Mark Batterson, 2024-11-19 The New York Times bestselling author of Win the Day reminds us of the millions of miracles God performs every day and inspires us to live with a clearer sense of identity and purpose Think you've never experienced a miracle With all due respect you have never not In fact you are one There never has been and there never will be anyone else like you That isn't a testament to you It's a testament to the God who created you Your fingerprint, eyeprint, and voiceprint are unlike anyone else's Simply put you matter to God Most of us take everyday miracles for granted including the one that stares back at us in the mirror It's time to take them for gratitude Why is that so important Because whatever you don't turn into praise turns into pride The miracle of life becomes mundane We get so wrapped up in our own little world we end up worshipping a god who looks like us, acts like us, and thinks like us It's no wonder we've lost our wonder But there is a way to recapture holy curiosity In A Million Little Miracles New York Times bestselling author Mark Batterson reveals three miraculous truths that awaken us to the Creator and His creation 1 God Is Bigger Than We Think we can rest in His wisdom and strength 2 God Is Closer Than We Realize we never have to do life alone 3 God Is Better Than We Imagine we can reclaim our childlike wonder A million little miracles are waiting to be discovered including the miracle called you

How to Catch Feelings for Jesus Andrew Christopher Uttaro, 2022-11-09 Jesus Christ is a character not unlike Elvis to many of us born into places that have historically been bathed in Christianity Sure, maybe he's a decent guy, but I don't want to put on the shiny blazers The whole idea of a relationship with Jesus may be quite off-putting on the face of it for those of us not keen on

throwing our hands up in the air in praise concerts or kneeling and reciting centuries old creeds on a weekly day off The way to a relationship with Jesus that often gets lost in all the preaching is that it s caught not taught As someone who began his relationship with Jesus with a simple I ll give this Jesus thing a try Uttaro still struggles with the awkwardness of it all Sometimes the only way we can get past all the deafening noise of the faith as it exists in our culture is to give ourselves the opportunity to catch feelings instead of endure being taught the same tired anachronisms that orbit that name Jesus In How to Catch Feelings for Jesus we will go about a personal step by step journey to such a relationship with Jesus Christ, St Francis and To-day G.
