**Four Years on the Great Lakes, 1813-1816** Don Bamford, Paul Carroll, 2009-06-01 David Wingfield joined the Royal Navy in 1806 at the age of fourteen. His service took him to the Great Lakes during the War of 1812. Captured, he was a POW in the United States for nine months. Following his release, Wingfield had some intriguing adventures on the Upper Great Lakes before returning to England. Once home, he used his handwritten notes kept during his time in North America as the basis for an account of his experiences there. This unique account of the history of Canada during the events of the War of 1812 and the stories of the people and places he was exposed to during this time is being made available in book form for the first time. This is the only account of the War of 1812 as seen through the eyes of a young seaman. Included is a Wingfield genealogical description that spans the modern world. **Weapons** Jason Richie, 2000 Traces the development of weapons through the lives of such inventors and their inventions as David Bushnell and the submarine, Samuel Colt and the revolver, John Ericsson and the battleship, Hiram Maxim and the machine gun, and Ernest Swinton and the tank. **The Three Graces of Raymond Street** Robert E. Murphy, 2014-12-09 A compelling story about three murders in Brooklyn between 1872 and 1873 and the young women charged with the crimes. Between January 1872 and September 1873, the city of Brooklyn was gripped by accounts of three murders allegedly committed by young women: a factory girl shot her employer and seducer, an evidently peculiar woman shot a philandering member of a prominent Brooklyn family, and a former nun was arrested on suspicion of having hanged her best friend and onetime convent mate. Two were detained at the county jail on Raymond Street while one remained at large, and her pursuit and eventual arrest was complicated by dissension in the police department. Lawyers for all three women prepared insanity defenses, and citizens thronged the courtrooms to witness the suspenseful trials. An intriguing account of the events surrounding the cases, which became entwined with Brooklyn's politics and religious differences. **The Three Graces of Raymond Street** offers insights into the sexual mores of the times and illustrates the development of the modern American city. Robert E. Murphy has done a wonderful job recreating the lost city of Brooklyn in the years following the Civil War. Through the stories of three women jailed for murder, he brings to life the personalities and places and scandals that made Brooklyn a vibrant vital place. This is a terrific read. Terry Golway, author of **Machine Made: Tammany Hall and the Creation of Modern American Politics**. **The Rocks of Scarr** John A. Watson, 2010-10-01 The Rocks of Scarr is a satirical tale of adventure spurred by greed. It deals with the efforts of European Border Agencies to find the source and route of smuggled diamonds that are appearing on the European market. Suspicion has fallen on wealthy Russian industrialist Yevgeny Zhirkov, who may be using his distant water fishing fleet to smuggle uncut gems to St. Petersburg. A chink in the operation appears with the discovery that the United Kingdom is somehow involved. It is thought probable that the ship's captain Vladimir Radek is ripping off his employer and sending stones ashore to accomplices on the Moray Firth coast. A scheme is devised to catch the participants in the act. The old fishing village of

Scarr is reduced to a state of mayhem as authorities and self serving individuals vie to secure the booty The book is packed with action and makes for an exciting read      **Guns** Deborah Hitzeroth,1994 Describes the different types of guns and traces their history social importance and future      Gun Digest, 1992 Ken Warner,1991-07 With sales of nearly a quarter million copies each year Gun Digest is the most authoritative book on the subject of firearms available today The front half of the book consists of the best writing available on firearms subjects The back half of the book consists of a complete catalog of all firearms manufactured in or imported to the U S with full specifications and prices      Tricky Josh Stallings,2021-01-19 ONE OF THE 10 BEST CRIME FICTION NOVELS OF 2021 LIBRARY JOURNAL 2021 CRIME FICTION PICKS OF THE YEAR DIVERSE VOICES BOOK REVIEW HONORABLE MENTION THE BEST CRIME NOVELS OF 2021 CRIMEREADS HONORABLE MENTION THE BEST NOIR FICTION OF 2021 CRIMEREADS ONE OF THE MOST ANTICIPATED CRIME BOOKS OF 2021 CRIMEREADS PICK OF THE MONTH MysteryPeople Does your past define you forever That s the question LAPD homicide detective Niels Madsen must answer after he gets in the middle of a standoff between two uniformed officers and Cisco an intellectually disabled man Cisco is found armed and standing over the body of a man with Down syndrome Cisco swears the dead man was his good friend and he didn t hurt him but in his earlier life Cisco had been gang member a brilliant and brutal killer After he was badly beaten brain injuries left him him if he is to be believed with the intellectual intelligence of a child Madsen s search for the truth leads him through the special needs community East LA gang life and pits him up against the corrupt LA Sheriff s Department More than a police procedural Tricky explores questions of human nature Whether a man can change for better or worse and whether redemption is possible      Las armas de Luis Buñuel Wood, Guy H.,2020-06-15 Desde sus mocedades Luis Bu uel acus una notable fascinaci n por las armas de fuego De hecho constituyen oscuros objetos de su deseo y una extra a pasi n subt tulo de su filme l que le instar an a ser un vido coleccionista de armas Sin duda el cine y las armas de fuego son dos fen menos culturales clave que corren simbi tica y art stico industrialmente parejos a lo largo de siglo XX Bu uel y su filmograf a representan esta conexi n puesto que para el director aragon s el s ptimo arte puede ser un arma maravillosa y peligrosa si la maneja un esp ritu libre Las armas de Luis Bu uel dilucida la vitalicia afici n a las armas del realizador su relevancia en la formaci n de su personalidad y creatividad y c mo le ayudaron a hacerse un maestro pirot cnico del celuloide y una figura universal del cine      **Subject Guide to Books in Print** ,1971      *Weapons and Warriors* Frederick Wilkinson,1980 Presents the history of weapons of war from the Stone Age style to the high powered rifles with special sights rockets missiles and bombs of the present      **Forthcoming Books** Rose Army,1988-09      Shooter's Bible ,1990      **Michigan Law Review** ,2004      American History for Children and Young Adults Vandelia VanMeter,1990 An index to recommended books about people and events in US history Books are included if they were reviewed between 1980 and 1988 in journals commonly available in small to medium sized public and school libraries Annotations provide complete bibliographic data recommended grade level and citations to the journal reviews The
