**Handle with Care** Joan Kahn, 1985 A collection of 14 chilling short stories Authors include Ellery Queen Agatha Christie Isak Dinesen and John Dickson Carr Handle With Care and Other Stories Ann MacLaren, 2018-10-23 Rose wants a baby but she is too old Adam's musical career is on the line Newly widowed Evie wonders if it is time to move on Twelve year old Lizzie has to deal with her father's heart attack Mariella can't stop worrying Archie is hoping to make a success of his third marriage And Sammy has to cope with a bad case of indigestion Each of the principal characters in this collection has a problem or predicament to which there isn't always an easy solution If there is a solution Disquieting humorous and thought provoking these character driven stories show the often extraordinary and unexpected ways in which their protagonists deal with the fragile moments in their lives Readers who enjoy sympathetic and insightful short stories about human nature as well as entertaining slices of daily life will enjoy this book Projects for New Technologies in Education Bloomsbury Publishing, 1994-09-15 This text integrates CD ROMs online databases telecommunications and information networks e.g CompuServe America Online 20th Century Video Encyclopedia into resource based instruction cooperatively planned by the teacher librarian and the classroom teacher for students working in cooperative learning groups Step by step procedures for planning and implementing technologies into both library and classroom curriculums help educators use technology to teach research skills With a hands on approach this book complements Barron's New Technologies for Education 3d edition Libraries Unlimited 1997 p 00 and will serve as a practical planning tool for busy school librarians and media specialists classroom teachers computer coordinators and anyone involved with educational technology A variety of subjects are covered in the units e.g immigration environment and projects are flexible enough to allow for the interchange of technologies Provided for each are an introduction **Eudora Welty and Mystery** Jacob Agner, Harriet Pollack, 2022-12-28 Contributions by Jacob Agner Sarah Gilbreath Ford Katie Berry Frye Michael Kreyling Andrew B Leiter Rebecca Mark Suzanne Marrs Tom Nolan Michael Pickard Harriet Pollack and Victoria Richard Eudora Welty's ingenious play with readers expectations made her a cunning writer a paramount modernist a short story artist of the first rank and a remarkable literary innovator In her signature puzzle texts she habitually engages with familiar genres and then delights readers with her transformations and nonfulfillment of conventions Eudora Welty and Mystery Hidden in Plain Sight reveals how often that play is with mystery crime and detective fiction genres popular fiction forms often condescended to in literary studies but unabashedly beloved by Welty throughout her lifetime Put another way Welty often creates her stories secrets by both evoking and displacing crime fiction conventions Instead of restoring order with a culminating reveal her story puzzles characteristically allow mystery to linger and thicken The mystery pursued becomes mystery elsewhere The essays in this collection shift attention from narratives characters and plots as they have previously been understood by unearthing enigmas hidden within those constructions Some of these new readings continue Welty's investigation of hegemonic whiteness and southern narratives of

race outlining these in chalk as outright crime stories Other essays show how Welty anticipated the regendering of the form now so characteristic of contemporary women mystery writers Her tender and widely ranging personal correspondence with the hard boiled American crime writer Ross Macdonald is also discussed Together these essays make the case that across her career Eudora Welty was arguably one of the genre s greatest double agents and to apply the titles of Macdonald s novels to her inventiveness with the form she is its underground woman its unexpected sleeping beauty **Short Stories** Library of Congress.
