**The Architecture and Planning of Classical Moscow** Albert J. Schmidt, 1989 Dr Schmidt describes the building planning schemes in Moscow from approx the accession of Catherine the Great in the early 1760s to the mid reign of Nicholas I about 1840 The author maintains that despite the enormous destruction of historic Moscow caused by the reordering of Gorkii the old Tverskaia St the Kalinin Prospect the Arbat under Stalin Khrushchev there still exists a significant remnant of the classical city which rose from the ashes of the great fire in 1812 The architects of the classical city Catherine s builders Vasilii Bazhenov Matvei Kazakov those who rebuilt Moscow after 1812 Osip Bove Domenico Giliardi Afanasii Grigor ev are featured together with their individual architectural creations as well as their broader city planning accomplishments In many respects an atlas of the boulevards thoroughfares of central Moscow this book both recreates the Moscow of another era adds to the understanding of the contours character of the modern Soviet metropolis Illus **The City in American History** Blake McKelvey, 2021-06-29 Originally published in 1969 this book summarizes the findings of a comprehensive survey of the successive roles played by the explosive constellations of cities in American history The book examines how and in what respects the planting and developing of cities influenced and was influenced by the colonial settlement the achievement of independence the occupation of the continent the development of industrial enterprise the challenge of foreign wars the fluctuations of a dynamic economy and the frustrations of social and political strife in a democracy Illuminating selections from original source documents add many graphic details and give a human dimension to this interpretation *The Publishers' Trade List Annual* ,1995 **A History of the Jews in America** Howard M. Sachar, 1993-11-02 Spanning 350 years of Jewish experience in this country A History of the Jews in America is an essential chronicle by the author of The Course of Modern Jewish History With impressive scholarship and a riveting sense of detail Howard M Sachar tells the stories of Spanish marranos and Russian refugees of aristocrats and threadbare social revolutionaries of philanthropists and Hollywood moguls At the same time he elucidates the grand themes of the Jewish encounter with America from the bigotry of a Christian majority to the tensions among Jews of different origins and beliefs and from the struggle for acceptance to the ambivalence of assimilation [The Commercial Revolution of the Middle Ages, 950-1350](#) Robert S. Lopez, 1976-03-26 Roman and barbarian precedents The growth of self centered agriculture The take off of the commerical revolution The uneven diffusion of commercialization Between crafts and industry The response of the agricultural society [Sociability and Power in Late Stuart England](#) Susan E. Whyman, 1999-11-04 This highly original study looks at rituals of sociability in new and creative ways Based upon thousands of personal letters it reconstructs the changing country and London worlds of an English gentry family and reveals intimate details about the social and cultural life of the period Challenging current influential views the book observes strong connections instead of deep divisions between country and city land and trade sociability and power Its very different view undermines established stereotypes of omnipotent male

patriarchs powerless wives and kin autonomous elder sons and dependent younger brothers Gifts of venison and visits in a coach reveal unexpected findings about the subtle power of women over the social code the importance of younger sons and the overwhelming impact of London Successfully combining storytelling and historical analysis the book recreates everyday lives in a period of overseas expansion financial revolution and political turmoil *United States Jewry, 1776-1985* Jacob Rader Marcus, 2018-02-05 In the final volume of this set Marcus deals with the coming and challenge of the East European Jews from 1852 to 1920 In *United States Jewry 1776 1985* the dean of American Jewish historians Jacob Rader Marcus unfolds the history of Jewish immigration segregation and integration of Jewry's cultural exclusiveness and assimilation of its internal division and indivisible unity and of its role in the making of America Characterized by Marcus's impeccable scholarship meticulous documentation and readable style this landmark four volume set completes the history Marcus began in *The Colonial American Jew 1492 1776* In the fourth and final volume of this set Marcus deals with the coming and challenge of the East European Jews from 1852 to 1920 He explores settlement and colonization dispersal to rural areas life in large cities the proletarians the garment industry the unions and socialism He also describes the life of the middle and upper class East European Jew Special attention is paid to the growth of Zionism In the epilogue Marcus writes about the evolution of the American Jew *Town Planning* Nicholas Boyarsky, 1982 [The ^AChiefs Now in This City](#) Colin Calloway, 2021-04-13 America's founding involved and required the melding of cultures and communities a redefinition of frontier and boundaries in every possible sense Using the accounts of Native leaders who visited cities in the Early Republic Calloway's book reorients the story of that founding Violent resistance was just one of many Native responses to colonialism Peaceful interaction was far more the norm and while less dramatic and therefore less covered far more important in its effects [The Marketplace of Revolution](#) T. H. Breen, 2004-02-26 *The Marketplace of Revolution* offers a boldly innovative interpretation of the mobilization of ordinary Americans on the eve of independence Breen explores how colonists who came from very different ethnic and religious backgrounds managed to overcome difference and create a common cause capable of galvanizing resistance In a richly interdisciplinary narrative that weaves insights into a changing material culture with analysis of popular political protests Breen shows how virtual strangers managed to communicate a sense of trust that effectively united men and women long before they had established a nation of their own *The Marketplace of Revolution* argues that the colonists shared experience as consumers in a new imperial economy afforded them the cultural resources that they needed to develop a radical strategy of political protest the consumer boycott Never before had a mass political movement organized itself around disruption of the marketplace As Breen demonstrates often through anecdotes about obscure Americans communal rituals of shared sacrifice provided an effective means to educate and energize a dispersed populace The boycott movement the signature of American resistance invited colonists traditionally excluded from formal political processes to voice their opinions about liberty and rights within a revolutionary marketplace an open raucous public

forum that defined itself around subscription lists passed door to door voluntary associations street protests destruction of imported British goods and incendiary newspaper exchanges Within these exchanges was born a new form of politics in which ordinary man and women precisely the people most often overlooked in traditional accounts of revolution experienced an exhilarating surge of empowerment Breen recreates an empire of goods that transformed everyday life during the mid eighteenth century Imported manufactured items flooded into the homes of colonists from New Hampshire to Georgia The Marketplace of Revolution explains how at a moment of political crisis Americans gave political meaning to the pursuit of happiness and learned how to make goods speak to power

**The Urban Wilderness** Sam Bass Warner,1995-01-01 Warner is in some ways almost unique among urban historians in the ways in which he has linked visual and cultural representations with socioeconomic analysis The strength of The Urban Wilderness is its scope and reach and the author s willingness to take risks intellectually This book is a work of passion and engagement Margaret Marsh author of Suburban Lives      *The Places Where Men Pray Together* Paul Wheatley,2001 What makes a city an economic political and cultural center In *The Places Where Men Pray Together* Paul Wheatley draws on two decades of astonishingly wide ranging research to demonstrate that Islamic cities are defined by function rather than form by what they do rather than what they are Focusing on the roles of cities during the first four centuries of Islamic expansion Wheatley explores interconnected cultural historical economic political and religious factors to provide the clearest and most extensively documented portrait of early Islamic urban centers available to date Building on the tenth century geographer al Maqdisi s writings on urban centers of the Islamic world buttressed by extensive comparative material from roadbooks topographies histories adab literatures and gazetteers of the time Wheatley identifies the main functions of different Islamic urban centers Chapters on each of the thirteen centers that al Maqdisi identified ranging from the Atlantic to the Indus and from the Caspian to the Sudan form the heart of this book In each case Wheatley shows how specific agglomeration and accessibility factors combined to make every city functionally distinct as a creator of effective space He also demonstrates that far from revolutionizing every aspect of life in these cities the adoption of Islam often affected the development of these cities less than previously existing local traditions *The Places Where Men Pray Together* is a monumental work that will speak to scholars and readers across a broad variety of disciplines from historians anthropologists and sociologists to

religious historians archaeologists and geographers      *Becoming Mexican American* George J. Sanchez,1995-03-23

Twentieth century Los Angeles has been the focus of one of the most profound and complex interactions between distinct cultures in U S history In this pioneering study Sanchez explores how Mexican immigrants Americanized themselves in order to fit in thereby losing part of their own culture      *History in Black* Yaacov Shavit,2013-11-12 The development of Afrocentric historical writing is explored in this study which traces this recording of history from the Hellenistic Roman period to the 19th century Afrocentric writers are depicted as searching for the unique primary source of culture from one period to the next Such passing on of cultural traits from the ancient model from the classical period to the origin of culture in Egypt and Africa is shown as being a product purely of creative history      **American Ethnic History** Jason J. McDonald,2007-05-25 This book provides a new framework for examining and comprehending the varied historical experiences of ethnic groups in the United States Thematically organized and comparative in outlook it explores how historians have grappled with questions that bear upon a key aspect of the American experience ethnicity How did the United States come to have such an ethnically diverse population What contribution if any has this ethnic diversity made to the shaping of American culture and institutions How easily and at what levels have ethnic and racial minorities been incorporated if at all into the social and economic structures of the United States Has incorporation been a uniform process or has it varied from group to group As well as providing readers with an accessible yet authoritative introduction to the field of American ethnic history the book serves as a valuable reference tool for more experienced researchers Key Features Adopts a comparative and thematic approach that helps to demystify this complex and controversial subject Provides an orderly and readable introduction to the main issues and debates surrounding the topic Detailed and broad ranging discussion of historiography enables readers to find more specialized works on topics in which they are interested
