A History of the Monroe Doctrine. A New Edition, Etc Dexter PERKINS, 1955 **Hands Off** Dexter Perkins, 1952 *A History of the Monroe Doctrine. A New Edition of the Book Originally Under the Title "Hands Off. A History of the Monroe Doctrine"*. Dexter Perkins, 1960 *A History of the Monroe Doctrine. A New Ed. of the Book Originally Published Under the Title Hands Off: a History of the Monroe Doctrine* Dexter Perkins, Hands Off: a History of the Monroe Doctrine. A History of the Monroe Doctrine, Etc Dexter PERKINS, 1960 *The Routledge Handbook of American Military and Diplomatic History* Christos G. Frentzos, Antonio S. Thompson, 2014-09-15 The Routledge Handbook of American Military and Diplomatic History provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States This volume The Colonial Period to 1877 illuminates the early period of American history from the colonial warfare of the 17th century through the tribulations of Reconstruction The chronologically organized sections each begin with an introductory chapter that provides a concise narrative of the period and highlights the scholarly debates and interpretive schools of thought in the historiography followed by topical chapters on issues in the period Topics covered include colonial encounters and warfare the French and Indian War the American Revolution diplomacy in the early American republic the War of 1812 westward expansion and conquest the Mexican American War the Civil War and Reconstruction With authoritative and vividly written chapters by both leading scholars and new talent this state of the field handbook will be a go to reference for every American history scholar s bookshelf *The End of the American Era* Charles Kupchan, 2007-12-18 Refuting the conventional wisdom that the end of the Cold War cleared the way for an era of peace and prosperity led solely by the United States Charles A Kupchan contends that the next challenge to America s might is fast emerging It comes not from the Islamic world or an ascendant China but from an integrating Europe that is rising as a counterweight to the United States Decades of strategic partnership across the Atlantic are giving way to renewed geopolitical competition The waning of U S primacy will be expedited by America s own ambivalence about remaining the globe s guardian and by the impact of the digital age on the country s politics and its role in the world By deftly mining the lessons of history to cast light on the present and future Kupchan explains how America and the world should prepare for the more complex more unstable road ahead **A history of the Monroe doctrine. A new revision of the book originally published under the title : Hands off** Dexter Perkins, 1963 *Prelude to Tragedy* Carl H. Bock, 2017-01-30 No detailed description available for *Prelude to Tragedy* **The United States and the Rise of Tyrants** Lawrence E. Gelfand, John Day Tully, 2019-10-17 Nationalist dictatorships proliferated around the world during the interwar years of the 1920s and 1930s Policymakers in Washington D C reasoning that non Communist regimes were not necessarily a threat to democracy or national interests found it expedient

to support them People living under these governments associated the United States with their oppressors with long term negative consequences for U S policy American policymakers were primarily concerned with fostering stability in these countries The dictatorships eager to maintain political order and create economic growth looked to American corporations and bankers whose heavy investments cemented the need to support the regimes Through an examination of consular records in nine countries the author describes the logistics and consequences of these relationships

Polk Walter R. Borneman,2009-04-14 In Polk Walter R Borneman gives us the first complete and authoritative biography of a president often overshadowed in image but seldom outdone in accomplishment James K Polk occupied the White House for only four years from 1845 to 1849 but he plotted and attained a formidable agenda He fought for and won tariff reductions reestablished an independent Treasury and most notably brought Texas into the Union bluffed Great Britain out of the lion s share of Oregon and wrested California and much of the Southwest from Mexico On reflection these successes seem even more impressive given the contentious political environment of the time In this unprecedented long overdue work and all look at Polk s life and career we have a portrait of an expansionist president and decisive statesman who redefined the country he led and we are reminded anew of the true meaning of presidential accomplishment and resolve The British Library General Catalogue of Printed Books to 1975 British Library,1984 *Spanish American Headlines A New World, 1492-2010* Bishop David Arias,2013-11-25 This work follows a chronological method that stretches from 1492 to 2010 and intends to show the history of an uninterrupted Hispanic presence in the United States No topic is developed at length but only the historical fact is highlighted followed by several reference sources which provide further information on the topic This is an effort to convey historical information to the people of the United States to whom schools or other educational institutions have never passed on the story of the historical Spanish Heritage of this country **The United States Marines in the Dominican Republic, Haiti and Nicaragua** United States.
