Virginia DeJohn Anderson

Hanging Of Ephraim Wheeler A Story Of:

The Hanging of Ephraim Wheeler Irene Quenzler Brown, Richard D. Brown, 2005 In 1806 an anxious crowd of thousands descended upon Lenox Massachusetts for the public hanging of Ephraim Wheeler condemned for the rape of his thirteen year old daughter Betsy Not all witnesses believed justice had triumphed The death penalty had become controversial no one had been executed for rape in Massachusetts in more than a quarter century Wheeler maintained his innocence Over one hundred local citizens petitioned for his pardon including most remarkably Betsy and her mother Impoverished illiterate a failed farmer who married into a mixed race family and clashed routinely with his wife Wheeler existed on the margins of society Using the trial report to reconstruct the tragic crime and drawing on Wheeler s jailhouse autobiography to unravel his troubled family history Irene Quenzler Brown and Richard D Brown illuminate a rarely seen slice of early America They imaginatively and sensitively explore issues of family violence poverty gender race and class religion and capital punishment revealing similarities between death penalty politics in America today and two hundred years ago Cover

The Hanging of Ephraim Wheeler Irene Quenzler Brown, Richard D. Brown, 2005-04-30 In 1806 thousands descended on Lenox Massachusetts for the hanging of Ephraim Wheeler condemned for the rape of his 13 year old daughter Betsy Using the trial report to reconstruct the crime and drawing on Wheeler s jailhouse autobiography to unravel his troubled family history the authors illuminate a rarely seen slice of early America [A Narrative of the Life of Ephraim Wheeler](#) ,1806

The Poison Plot Elaine Forman Crane, 2018-05-15 Explores in colonial Newport Rhode Island the tumultuous marriage of Benedict and Mary Arnold in the 1720s and 1730s In and through their sordid and possibly criminal marital story in which Mary is accused of poisoning Benedict Crane sheds light on the liabilities and possibilities for women under coverture the complex social and economic networks that bound together the elite and laboring classes of Newport and the trans oceanic cultures of trade consumption and sociability that came to shape expectations for marital satisfaction on both sides of the Atlantic

Columbia Rising John L. Brooke, 2013-08-01 In *Columbia Rising* Bancroft Prize winning historian John L Brooke explores the struggle within the young American nation over the extension of social and political rights after the Revolution By closely examining the formation and interplay of political structures and civil institutions in the upper Hudson Valley Brooke traces the debates over who should fall within and outside of the legally protected category of citizen The story of Martin Van Buren threads the narrative since his views profoundly influenced American understandings of consent and civil society and led to the birth of the American party system Brooke s analysis of the revolutionary

settlement as a dynamic and unstable compromise over the balance of power offers a window onto a local struggle that mirrored the nationwide effort to define American citizenship **Empire of Liberty** Gordon S. Wood, 2009-10-28 The Oxford History of the United States is the most respected multi volume history of our nation In this volume one of America s most esteemed historians Gordon S Wood offers a brilliant account of the early American Republic ranging from 1789 and the beginning of the national government to the end of the War of 1812 Integrating all aspects of life from politics and law to the economy and culture Empire of Liberty offers a marvelous account of this pivotal era when America took its first unsteady steps as a new and rapidly expanding nation *The Martyr and the Traitor* Virginia DeJohn Anderson, 2017-05-01 In September 1776 two men from Connecticut each embarked on a dangerous mission One of the men a soldier disguised as a schoolmaster made his way to British controlled Manhattan and began furtively making notes and sketches to bring back to the beleaguered Continental Army general George Washington The other man traveled to New York to accept a captain s commission in a loyalist regiment before returning home to recruit others to join British forces Neither man completed his mission Both met their deaths at the end of a hangman s rope one executed as a spy for the American cause and the other as a traitor to it Neither Nathan Hale nor Moses Dunbar deliberately set out to be a revolutionary or a loyalist yet both suffered the same fate They died when there was every indication that Britain would win the American Revolution Had that been the outcome Dunbar convicted of treason and since forgotten might well be celebrated as a martyr And Hale caught spying on the British would likely be remembered as a traitor rather than a Revolutionary hero In *The Martyr and the Traitor* Virginia DeJohn Anderson offers an intertwined narrative of men from very similar backgrounds and reveals how their relationships within their families and communities became politicized as the imperial crisis with Britain erupted She explores how these men forged their loyalties in perilous times and believed the causes for which they died to be honorable Through their experiences *The Martyr and the Traitor* illuminates the impact of the Revolution on ordinary lives and how the stories of patriots and loyalists were remembered and forgotten after independence **Law's Imagined Republic** Steven Wilf, 2010-04-19 *Law s Imagined Republic* shows how the American Revolution was marked by the rapid proliferation of law talk across the colonies This legal language was both elite and popular spanned different forms of expression from words to rituals and included simultaneously real and imagined law Since it was employed to mobilize resistance against England the proliferation of revolutionary legal language became intimately intertwined with politics Drawing on a wealth of material from criminal cases Steven Wilf reconstructs the intertextual ways Americans from the 1760s through the 1790s read law reading one case against another and often self consciously comparing transatlantic legal systems as they thought about how they might construct their own legal system in a new republic What transformed extraordinary tales of crime into a political forum How did different ways of reading or speaking about law shape our legal origins And ultimately how might excavating innovative approaches to law in this formative period which were constructed in the street as well as in the courtroom alter

our usual understanding of contemporary American legal institutions *Law's Imagined Republic* tells the story of the untidy beginnings of American law Contemporary Authors New Revision Series Tracey Watson, 2005-04 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers Books on Early American History and Culture, 2001-2005 Raymond D. Irwin, 2013-01-03 This volume offers a complete listing and description of books published on early America between 2001 and 2005 An extraordinary research tool *Books on Early American History and Culture 2001-2005* An Annotated Bibliography is part of a series listing materials on the history of North America and the Caribbean from 1492 to 1815 This volume includes monographs reference works exhibition catalogs and essay collections published between 2001 and 2005 Each entry provides the name of the work its author's or editor's publisher date of publication ISBN and or OCLC number's and the Library of Congress call number Following each detailed citation there is a brief summary of the work and a list of journals in which it has been reviewed Organized thematically the book covers among many other topics exploration and colonization maritime history environment Native Americans race gender and ethnicity migration labor and class business families religion material culture science education politics and military affairs Self-evident Truths Richard D. Brown, 2017-01-01 From a distinguished historian a detailed and compelling examination of how the early Republic struggled with the idea that all men are created equal How did Americans in the generations following the Declaration of Independence translate its lofty ideals into practice In this broadly synthetic work distinguished historian Richard Brown shows that despite its founding statement that all men are created equal the early Republic struggled with every form of social inequality While people paid homage to the ideal of equal rights this ideal came up against entrenched social and political practices and beliefs Brown illustrates how the ideal was tested in struggles over race and ethnicity religious freedom gender and social class voting rights and citizenship He shows how high principles fared in criminal trials and divorce cases when minorities women and people from different social classes faced judgment This book offers a much needed exploration of the ways revolutionary political ideas penetrated popular thinking and everyday practice **The Notorious Elizabeth Tuttle** Ava Chamberlain, 2012-10-31 Who was Elizabeth Tuttle In most histories she is a footnote a blip At best she is a minor villain in the story of Jonathan Edwards perhaps the greatest American theologian of the colonial era Many historians consider Jonathan Edwards a theological genius wildly ahead of his time a Puritan hero Elizabeth Tuttle was Edwards's crazy grandmother the one whose madness and adultery drove his despairing grandfather to divorce In this compelling and meticulously researched work of micro history Ava Chamberlain unearths a fuller history of Elizabeth Tuttle It is a violent and tragic story in which anxious patriarchs struggle to govern their households unruly women disobey their husbands mental illness tears families apart and loved ones die sudden deaths Through the lens of Elizabeth Tuttle Chamberlain re

examines the common narrative of Jonathan Edwards's ancestry giving his long ignored paternal grandmother a voice. Tracing this story into the 19th century she creates a new way of looking at both ordinary families of colonial New England and how Jonathan Edwards's family has been remembered by his descendants. Contemporary historians and significantly eugenicists. For as Chamberlain uncovers it was during the eugenics movement which employed the Edwards family as an ideal that the crazy grandmother story took shape. The Notorious Elizabeth Tuttle not only brings to light the tragic story of an ordinary woman living in early New England it also explores the deeper tension between the ideal of Puritan family life and its messy reality complicating the way America has thought about its Puritan past. **We Shall Be No More** Richard Bell, 2012-03-20 Though suicide is an individual act Richard Bell reveals its broad social implications in early America. From Revolution to Reconstruction everyone parents newspapermen ministers and abolitionists alike debated the meaning of suicide as a portent of danger or of possibility in a new nation struggling to define itself and its power. *Regulating Passion* Kelly A. Ryan, 2014-03-25 Sexual regulation and reputation were critical tools in maintaining early Massachusetts hierarchy. A reputation for sexual virtue was most easily maintained by elites who had the means to avoid sexual regulation. *Regulating Passion* examines how the American Revolution changed the nature of patriarchal rule by shattering old ways of penalizing and publishing illicit sexual behavior and more people embarked on policing the sexual morality of society. **Law and Sexual Misconduct in New England, 1650-1750** Abby Chandler, 2016-04-15 Having arrived in the Province of Maine in 1641 with a brief to create both government and law for the fledgling colony Thomas Gorges later recorded his policy as having steered as near as we could to the course of England. Over the course of the next century the various colonial administrations all consciously measured their laws against that of England whether their intention was imitation of or conscious opposition to established English legal system. In order to trace the shifting and contested relationships between colonial laws and English laws this book focuses on the prosecution of sexual misconduct. All crimes can threaten orderly society but no other crime posed quite the same long term implications as illicit sex resulting in the birth of illegitimate children who became their own social challenges. Sexual misconduct was consequently a major concern for early modern leaders making it a particularly fruitful subject for studying the complex relationship between laws in England and laws in the English colonies. Political and ecclesiastical leaders create laws to coerce people to behave in a certain fashion and to convey wider messages about the societies they govern. When those same laws are broken lawbreakers must be tried and punished by a means intended to serve as a warning to others would be lawbreakers. In this book the two part analysis of changing sexual misconduct laws and the resulting trial depositions highlights the ways in which ordinary New England colonists across New England both interacted with and responded to the growing Anglicization of their legal systems and makes the argument that these men and women saw themselves as taking part in a much larger process. Violence in American Popular Culture David Schmid, 2015-11-02 This timely collection provides a historical overview of violence in

American popular culture from the Puritan era to the present and across a range of media Few topics are discussed more broadly today than violence in American popular culture Unfortunately such discussion is often unsupported by fact and lacking in historical context This two volume work aims to remedy that through a series of concise detailed essays that explore why violence has always been a fundamental part of American popular culture the ways in which it has appeared and how the nature and expression of interest in it have changed over time Each volume of the collection is organized chronologically The first focuses on violent events and phenomena in American history that have been treated across a range of popular cultural media Topics include Native American genocide slavery the Civil Rights Movement and gender violence The second volume explores the treatment of violence in popular culture as it relates to specific genres for example Puritan execution sermons dime novels television film and video games An afterword looks at the forces that influence how violence is presented discusses what violence in pop culture tells us about American culture as a whole and speculates about the future

Frank Grant Richard Bogovich, 2022-10-17 Widely considered the best black player of the 19th century Hall of Famer Frank Grant challenged baseball's color barrier in the 1880s to play for all white professional teams two of which fought a legal battle for his services This first full length biography documents Grant's career highlights including successful games against Major League teams and at bats against Hall of Fame pitchers Stories overlooked for more than a century are examined including a falsified anecdote that obscured one of Grant's best games from history New light is shed on the early years of the Cuban Giants the first black pro ball club

What is Microhistory? Sigurður Gylfi Magnússon, István M. Szijártó, 2013-05-29 This unique and detailed analysis provides the first accessible and comprehensive introduction to the origins development methodology of microhistory one of the most significant innovations in historical scholarship to have emerged in the last few decades The introduction guides the reader through the best known example of microstoria The Cheese and the Worms by Carlo Ginzburg and explains the benefits of studying an event place or person in microscopic detail In Part I István M. Szijártó examines the historiography of microhistory in the Italian French Germanic and the Anglo Saxon traditions shedding light on the roots of microhistory and asking where it is headed In Part II Sigurður Gylfi Magnússon uses a carefully selected case study to show the important difference between the disciplines of macro and microhistory and to offer practical instructions for those historians wishing to undertake micro level analysis These parts are tied together by a Postscript in which the status of microhistory within contemporary historiography is examined and its possibilities for the future evaluated What is Microhistory surveys the significant characteristics shared by large groups of microhistorians and how these have now established an acknowledged place within any general discussion of the theory and methodology of history as an academic discipline

Jim Crow North Richard Archer, 2017-09-20 More than a century before Rosa Parks refused to give up her seat on a Montgomery bus Shadrach Howard David Ruggles Frederick Douglass and others had rejected demands that they relinquish their seats on various New England railroads They were protesting segregation on Jim

Crow cars a term that originated in New England in 1839. There was part of a larger movement for equal rights in antebellum New England. Using sit ins, boycotts, petition drives and other initiatives, African American New Englanders and their white allies attempted to desegregate schools, transportation, neighborhoods, churches and cultural venues. Above all, they sought to be respected and treated as equals in a reputedly democratic society. Jim Crow North is the tale of that struggle and the racism that prompted it. Despite widespread racism, black New Englanders were remarkably successful. By the advent of the Civil War, African American men could vote and hold office in every New England state but Connecticut. Schools, except in the largest cities of Connecticut and Rhode Island, were integrated. Railroads, stagecoaches, hotels and cultural venues, with occasional aberrations, were free from discrimination. People of African descent and of European descent could marry one another and live peaceably even in Maine and Rhode Island, where such marriages were legally prohibited. There was an emerging, if still small, black middle class who benefitted most. But there were limits to progress. A majority of African Americans in New England were mired in poverty, preventing full equality both then and now.

Hanging Of Ephraim Wheeler A Story Of Introduction

In today's digital age, the availability of Hanging Of Ephraim Wheeler A Story Of books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hanging Of Ephraim Wheeler A Story Of books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hanging Of Ephraim Wheeler A Story Of books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hanging Of Ephraim Wheeler A Story Of versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hanging Of Ephraim Wheeler A Story Of books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hanging Of Ephraim Wheeler A Story Of books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hanging Of Ephraim Wheeler A Story Of books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hanging Of Ephraim

Wheeler A Story Of books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hanging Of Ephraim Wheeler A Story Of books and manuals for download and embark on your journey of knowledge?
