Hangmans Range:

Hangman's Reach Dale Graham, 2016-06-30 When Crado Bluestone buys some cattle to start his own branch he figures that life can't get much better. It comes as a brutal shock then when he is accused of being a rustler and is made to take the Hangman's Reach. The real cattle thieves led by a killer named Monk Purvis leave him for dead. Help is close at hand however in the form of a Texas Ranger Jack Banner has been tracking the gang and rescues the hapless cowboy just before he chokes to death at the end of the rope. Revenge burns deep in Bluestone's heart to even the score and much blood will be split before he finally catches up with the ruthless killer in a Mexican graveyard. *The Last Defender of Camelot* Roger Zelazny, 2014-03-18

THE LAST DEFENDER OF CAMELOT is a collection of breathtaking stories that showcase the incredible abilities of several authors. Edited and with an introduction by award winning author Robert Silverberg it includes such tales as *For a Breath I Tarry* and *Halfjack*. It also features the Hugo Award winning *24 Views of Mt Fuji* by Hokusai Permafrost and *Home is the Hangman*. *Hangman's Creek* Matt Braun, 2002-03-15

From a master storyteller of frontier history the saga of a rancher who goes undercover to chase horse thieves and discovers his true destiny. Elmer Kelton award winning author of *The Good Old Boys*. Texas rancher Ben Langham hired Luke Starbuck for his loyalty and toughness gained by riding with Rip Ford's Texas volunteers. But when Langham sent Starbuck after a band of horse thieves a loyal man left behind the only home he had ever known and met the stranger in himself. One man found a home. To track down a thief Starbuck posed as an outlaw, misled his woman and killed to protect his own life. Then he rode into a kingdom of vicious horse thieves and entered into a fierce duel with a criminal mastermind hiding behind a respectable life. Somewhere along the line honest hardworking Starbuck discovered that he was a changed man, one who had forged himself a freedom and a future in a place where other men died. Braun is one of the best. Don Coldsmith author of the Spanish Bit series. Matt Braun is head and shoulders above all the rest who would attempt to bring the gunmen of the Old West to life. Terry C Johnston author of *The Plainsman* series. Matt Braun has a genius for taking real characters out of the Old West and giving them flesh and blood immediacy. Dee Brown author of *Bury My Heart at Wounded Knee*. *Hangman's Creek and Jury of Six* Matt Braun, 2007-10-30. HANGMAN'S CREEK Texas rancher Ben Langham hired Luke Starbuck for his loyalty and toughness gained by riding with Rip Ford's Texas volunteers. But the honest hardworking Starbuck is charged with going after a band of horse thieves he becomes a man he can barely recognize. Starbuck must pose as an outlaw, mislead his woman and risk his life all in the name of doing good business. But at what cost? JURY OF SIX Once Starbuck dreamed of owning land of his own. Now that he's inherited Langham's ranch his greatest wish in life is to find out who gunned down Langham. With the Cattleman's Association behind him Starbuck has all the authority he needs to ride into New Mexico on the path of a murderous band of thieves. But he didn't count on coming face to face with a scrawny killer named William The Kid Bonney, a shifty sheriff named Pat Garret or the true story behind the legendary Lincoln County War. *The Hangman's Replacement* Taona D. Chiveneko, 2013-01-15 If you

had to interview the candidates for a country's new hangman what questions would you ask them If your family was on the verge of starvation and becoming a hangman was the only job available would you apply If you were hired what would you do if the prisoners looked like your loved ones If you knew that another good man was taking the job out of desperation would you do anything to prevent him from getting it What if that man's recruitment would somehow guarantee your own survival would you encourage his candidacy All these questions were asked of people who never thought they would find themselves in such a position until they became mired in the chaos surrounding the hangman's replacement

West, 2005-07-05 Preacher Nathaniel Rix and his sons bring the Word of the Lord to the lost souls settled on the Western frontier and deliver salvation from the end of a pistol barrel Homesteaders and heathens alike are sinners in Rix's eyes and removing them from temptation provides him with such Earthly rewards as gold and weapons for his gospel spreading crusade Jordan Gray still mourns the loss of his wife and son their murders gnawing away at his soul A long winter of self-imposed exile in the Big Horn Mountains has given him an enlightened perspective on the nature of good and evil And when he finds himself wanted for a murder committed by the Rix family Jordan takes it upon himself to deliver vengeance Rarely has an author painted the great American West in strokes so bold vivid and true Ralph Compton
