**Hangman's Row** Aaron Marc Stein, 1982     *The Hangman's Replacement* Taona D. Chiveneko, 2013-01-15 If you had to interview the candidates for a country's new hangman what questions would you ask them If your family was on the verge of starvation and becoming a hangman was the only job available would you apply If you were hired what would you do if the prisoners looked like your loved ones If you knew that another good man was taking the job out of desperation would you do anything to prevent him from getting it What if that man's recruitment would somehow guarantee your own survival would you encourage his candidacy All these questions were asked of people who never thought they would find themselves in such a position until they became mired in the chaos surrounding the hangman's replacement     *Hangman's Brae* Colin Duncan, Norman Adams, 2013-02-21 Hangman's Brae is a vividly written account of the blood curdling crimes and brutal forms of punishment of north east Scotland The book explores the area's underworld and features the grave robbers jail breakers rioters and other lawbreakers whose crimes led them to premature deaths at the end of a rope or at the not so delicate hands of The Maiden a gruesome decapitating device predating the French guillotine The stories of the men who enforced the law and meted out sentences to the ne'er-do-wells who broke it can be just as interesting and memorable as those of the criminals and Norman Adams introduces the reader to some of them Here you'll find some real characters such as the Aberdeenshire sheriff and criminal officer who always got his man once spending two chilling nights chained to a brutal murderer and rapist And it wasn't just hangings that these men had to perform their grisly work also involved execution by beheading and drowning often with some witch burning for good measure The many true crime cases in this book shed new light on just how violent and bloody the north east of Scotland's past was     *Hangman's Creek* Matt Braun, 2002-03-15 From a master storyteller of frontier history the saga of a rancher who goes undercover to chase horse thieves and discovers his true destiny Elmer Kelton award winning author of *The Good Old Boys* Texas rancher Ben Langham hired Luke Starbuck for his loyalty and toughness gained by riding with Rip Ford's Texas volunteers But when Langham sent Starbuck after a band of horse thieves a loyal man left behind the only home he had ever known and met the stranger in himself One man found a home To track down a thief Starbuck posed as an outlaw misled his woman and killed to protect his own life Then he rode into a kingdom of vicious horse thieves and entered into a fierce duel with a criminal mastermind hiding behind a respectable life Somewhere along the line honest hardworking Starbuck discovered that he was a changed

man one who had forged himself a freedom and a future in a place where other men died Braun is one of the best Don Coldsmith author of the Spanish Bit series Matt Braun is head and shoulders above all the rest who would attempt to bring the gunmen of the Old West to life Terry C Johnston author of The Plainsman series Matt Braun has a genius for taking real characters out of the Old West and giving them flesh and blood immediacy Dee Brown author of Bury My Heart at Wounded Knee

Dark-Light D.T. Reece,2022-07-15 Everybody wants the truth until they hear it Well what if everything we were taught about creation heaven and hell aliens angels and of course demons was completely wrong worse than it is already The Dark Light created us to blend together and live in a wonderful harmony but the Dark alone wanted total control as most evil does so the Light must fight to keep the scales even This is the real story of the Earth After Dark Light split into Adem and Lilith they could not fight each other so they decided to create a champion known as a Brielle to fight in their spot The Righteous fights for the Light and for truth and justice whereas Armageddon fights for the Dark and all that follows evil Lilith and Adem each create seven subordinates known as Murmuhdons but we call them the seven deadly sins and the seven righteous virtues who serve the Brielle on Earth as they battle for control of the world and the universe If we could just come together as one we would be a prosperous and gorgeous world but as always you can t have good without bad Not all people are bad Those are who the Righteous the world s first superhero is fighting for Destroying the Light is all that Armageddon is fighting for and our way of life depends on the winner      **Munsey's Magazine** ,1897      *Munsey's Magazine for ...* ,1897
