Satchel Larry Tye, 2010-05-04 NEW YORK TIMES BESTSELLER The superbly researched spellbindingly told story of athlete showman philosopher and boundary breaker Leroy Satchel Paige Among the rare biographies of an athlete that transcend sports gives us the man as well as the myth The Boston Globe Few reliable records or news reports survive about players in the Negro Leagues Through dogged detective work award winning author and journalist Larry Tye has tracked down the truth about this majestic and enigmatic pitcher interviewing more than two hundred Negro Leaguers and Major Leaguers talking to family and friends who had never told their stories before and retracing Paige's steps across the continent Here is the stirring account of the child born to an Alabama washerwoman with twelve young mouths to feed the boy who earned the nickname Satchel from his enterprising work as a railroad porter the young man who took up baseball on the streets and in reform school inventing his trademark hesitation pitch while throwing bricks at rival gang members Tye shows Paige barnstorming across America and growing into the superstar hurler of the Negro Leagues a marvel who set records so eye popping they seemed like misprints spent as much money as he made and left tickets for Mrs Paige that were picked up by a different woman at each game In unprecedented detail Tye reveals how Paige hurt and angry when Jackie Robinson beat him to the Majors emerged at the age of forty two to help propel the Cleveland Indians to the World Series He threw his last pitch from a big league mound at an improbable fifty nine Age is a case of mind over matter he said If you don't mind it don't matter More than a fascinating account of a baseball odyssey Satchel rewrites our history of the integration of the sport with Satchel Paige in a starring role This is a powerful portrait of an American hero who employed a shuffling stereotype to disarm critics and racists floated comical legends about himself including about his own age to deflect inquiry and remain elusive and in the process methodically built his own myth Don't look back he famously said Something might be gaining on you Separating the truth from the legend Satchel is a remarkable

Progressive Black Masculinities? Athena D. Mutua,2006-11-06 In the struggle for pride and political agency the imperative to be a man has been central to the lives of black males Yet what it means to be a black man in terms of both racial and gender identity has been subject to continual debate in public and academic spheres alike *Progressive Black Masculinities* brings together leading black cultural critics including Michael Eric Dyson Mark Anthony Neal and Patricia Hill Collins to examine an alternatively demonized and mythologized black masculinity Collectively they offer a roadmap for new progressive models of black masculinity that may chart the course for the future of black men *Baseball Hits and Bible Bits* Frank D. Minton,2018-02-09 In *Baseball Hits and Bible Bits* pastor and former Minor League pitcher Frank D Minton shares unforgettable stories and anecdotes about two of his great loves in life baseball and the Bible When Minton was eleven years old God called him to preach that call to serve the Lord would never leave his heart His north high school exploits on the ball fields of Wichita Kansas earned him a scholarship at the University of Oklahoma and eventually a contract with the Dodgers organization After three years in the minors he realized that following Gods call was more important than making it to the big leagues He turned down the Dodgers contract offer for a fourth year leaving baseball behind to become a Baptist minister It was one of the most difficult decisions of his life but according to Minton he traded a diamond for a crown Baseball poems and songs are sprinkled throughout and sketches by artist Berth el Young add dimension and feeling With stories about baseball greats both past and presentsuch as Sandy Koufax Josh Hamilton and Albert Pujolsand rich autobiographical details of a life lived in the service of the Lord *Baseball Hits and Bible Bits* has something for just about

everybody from little leaguers to bush leaguers to big leaguers **A Companion to American Sport History** Steven A. Riess, 2014-03-26 A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history Presents the first complete analysis of the scholarship relating to the academic history of American sport Features contributions from many of the finest scholars working in the field of American sport history Includes coverage of the chronology of sports from colonial times to the present day including major sports such as baseball football basketball boxing golf motor racing tennis and track and field Addresses the relationship of sports to urbanization technology gender race social class and genres such as sports biography Awarded 2015 Best Anthology from the North American Society for Sport History NASSH **How to Be Like Jackie Robinson** Pat Williams, 2005 Unlike other books on Jackie Robinson this book not only profiles his amazing life but also offers valuable lessons drawn from his experiences that can directly apply to practical everyday improvements and personal success **A Chain of Events** Ruthie Green, 2012-08-31 In October 2011 a ceremony was held at the Washington DC mall to unveil a granite statue of our slain Civil Rights leader Rev MLK Jr The large piece of granite was 30 feet high and a light reddish brown in color It looked majestic in the sunlight The King family members participating in the ceremony were his sister and three of his children They were all very dynamic speakers and that makes me think that public speaking was a family trait Some of the other speakers that day were also present during the early days of the Civil Rights movement They were Andrew Young Julian Bond and Rev Joseph Lowery Rev Lowery was 90 years old and the tears flowed freely as he spoke It was overwhelming for him and me to witness the final moments of a movement that had started in 1955 in Montgomery AL For the Black man the road had been long and definitely rough but we had stayed on our course Also at times our footsteps toward Freedom were slow but by Gods Grace we were able to reach our goal For years we could not say that America was our country or proudly call America our Home Sweet Home But after seeing a statue of a Black man with a flat nose and thick lips standing among the memorials of past U S Presidents in the DC mall made us realize that only a loving and caring God could have orchestrated such a feat Now I will use the phrase that the Evangelist Joel Osteen uses Put your trust in God and He will take you places that you NEVER dreamed of
