Publisher to the Decadents James G. Nelson,2010-11-01 Publisher to the Decadents chronicles the experiences of Leonard Smithers 1861 1907 a key figure in the literary culture of late Victorian England In his day he was known primarily for publishing books of upscale pornography He became the publisher of choice for the Decadents including most notably Oscar Wilde and Audrey Beardsley While a young solicitor in his native Sheffield Smithers established a correspondence with the famed explorer and translator of exotic texts Captain Sir Richard Burton Burton translated The Thousand Nights and a Night popularly known as The Arabian Nights which was published by Smithers in 1885 Smithers collaborated with Burton in the publication of two Latin texts the Priapeia and the Carmina of Catullus both of erotic cast After the death of Burton in 1890 Smithers continued a significant involvement with his work serving as an adviser to Lady Isabel Burton During this time Smithers formed a partnership with Harry Sidney Nichols and together they produced a series of pornographic books under the imprint of the Erotika Biblion Society The years between 1895 and 1900 were Smithers s glory years when he managed to publish a number of books illustrated by Beardsley a magazine known as the Savoy and books of verse by Ernest Dowson and Arthur Symons that have proved to be the finest expression of the Decadent Movement Throughout his career Smithers sought to produce attractive well made books that were tastefully designed and printed This book provides expansive insight into the prizes and pitfalls of an early English publisher of the decadent Nineties

on the remarkable diversity of poetry produced at the close of the nineteenth century in England Opening with a detailed preface that shows why literary historians have frequently underrated fin de siècle poetry the collection explains how a strikingly rich body of lyrical and narrative poems anticipated many of the developments traditionally attributed to Modernism Each chapter in turn provides insights into the ways in which late nineteenth century poets represented their experiences of the city their attitudes toward sexuality their responses to empire and their interest in religious belief The eleven essays presented by editor Joseph Bristow pay renewed attention to the achievements of such legendary writers as Oscar Wilde John Davidson Ernest Dowson Lionel Johnson and W B Yeats whose careers have always been associated with the 1890s This book also explores the lesser known but equally significant advances made by notable women poets including Michael Field Amy Levy Charlotte Mew Alice Meynell A Mary F Robinson and Graham R Tomson The *Fin de Siècle Poem* brings together innovative research on poetry that has been typecast as the attenuated Victorianism that was rejected by Modernism The contributors underscore the remarkable innovations made in English poetry of the 1880s and 1890s and show how woman poets stood shoulder to shoulder with their better known male contemporaries Joseph Bristow is professor of English at the University of California Los Angeles where he edits the journal *Nineteenth Century Literature* His recent books include *The Cambridge Companion to Victorian Poetry* *Oscar Wilde Contextual Conditions* and the variorum edition of Oscar Wilde's *The Picture of Dorian Gray* [Yeats Annual No. 13](#) Warwick Gould, 2016-07-27 *Yeats Annual* is the leading international research level journal devoted to the greatest twentieth century poet in the English language In this number there are new essays on Yeats's theatre by leading scholars such as Richard Allen Cave Gregory N Eaves and Masaru Sekine while scholars from nine countries including Peter L Caracciolo and Paul Edwards Maneck H Daruwala William F Halloran Elisabeth Heine and Colleen MacKenna address such matters as Yeats and Maud Gonne Marriage and the Astrological Record 1908 9 Yeats's relations with Fiona Macleod and with Wyndham Lewis the Ghost of Wordsworth Philip Larkin and Seamus Heaney There are new essays on *A Vision* shorter bibliographical notes and reviews of ten new studies **A James Joyce Chronology** R. Ezra Pound in London and Paris, 1908-1925 J. J. Wilhelm, 2010-11-01 **James Joyce and Cultural Genetics** Wim Van Mierlo, 2023-09-21 As a genetic study this book uncovers the creative DNA of James Joyce's oeuvre by looking at the cultural forces that shaped him and that he in turn shaped in the creation of his books developing a two way relationship with history memory and national identity Following his development as an author it revisits and redirects Joyce's attitudes towards the Irish Revival From Chamber Music through *Ulysses* to *Finnegans Wake* Joyce sought to define a cultural identity that went in

many respects against the mainstream but that nonetheless belonged to the wider Revivalist project with which it shared certain characteristics and aspirations Joyce's historical and genealogical imagination is read through a careful investigation of the cultural materials that went into his work Based on evidence from his personal library and the extensive archive of reading notes ideas sketches and drafts this book investigates how Joyce used absorbed and repurposed these materials creatively in his writing it does so by bringing for the first time the methods of genetic criticism into the domain of cultural memory and the sociology of the text Thus this book defines cultural genetics as an exploration of the textual material that are Joyce's sources interacts with the culture that produced and received them *A Companion to Victorian Poetry* Ciaran Cronin, 2008-04-15 This Companion brings together specially commissioned essays by distinguished international scholars that reflect both the diversity of Victorian poetry and the variety of critical approaches that illuminate it Approaches Victorian poetry by way of genre production and cultural context rather than through individual poets or poems Demonstrates how a particular poet or poem emerges from a number of overlapping cultural contexts Explores the relationships between work by different poets Recalls attention to a considerable body of poetry that has fallen into neglect Essays are informed by recent developments in textual and cultural theory Considers Victorian women poets in every chapter

B. Yeats** Daniel Tompsett, 2018-06-13 *Unlocking the Poetry of W B Yeats* undertakes a thorough re reading of Yeats oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a

complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats death in 1939 while demonstrating the centrality of the occult to Yeats art
