**Freedom's Ring** Jacqueline Foertsch,2021-04-16 Freedom s Ring begins with the question of how the American ideal of freedom which so effectively defends a conservative agenda today from globally exploitative free trade to anti French freedom fries during the War in Iraq once bolstered the progressive causes of Freedom Summer the Free Speech Movement and more militant Black Power and Women s Liberation movements with equal efficacy Focused as it is on the faring of freedom throughout the liberation era this book also explores attempts made by rights movements to achieve the often competitive or cross canceling American ideal of equality economic professional and otherwise Although many struggled and died for it in the civil rights era freedoms such as the vote integrated bus rides and sex without consequences via the Pill are ultimately free costing officialdom little if anything to fully implement while equality with respect to jobs

salaries education housing and health care will forever be the much more expensive nut to crack Freedom's Ring regards the politics of freedom and politics in general as a low cost substitute for and engrossing distraction from substantive economic problem solving from the liberation era to the present day

*Poser* Claire Dederer, 2010-12-21 The studio was decorated in the style of Don't Be Afraid We're Not a Cult All was white and blond and clean as though the room had been designed for surgery or Swedish people The only spot of color came from the Tibetan prayer flags strung over the doorway into the studio In flagrant defiance of my longtime policy of never entering a structure adorned with Tibetan prayer flags I removed my shoes paid my ten bucks and walked in Ten years ago Claire Dederer threw her back out breastfeeding her baby daughter Told to try yoga by everyone from the woman behind the counter at the co-op to the homeless guy on the corner she signed up for her first class She fell madly in love Over the next decade she would tackle triangle wheel and the dreaded crow becoming fast friends with some poses and developing long standing feuds with others At the same time she found herself confronting the forces that shaped her generation Daughters of women who ran away to find themselves and made a few messes along the way Dederer and her peers grew up determined to be good good good even if this meant feeling hemmed in by the smugness of their organic buying attachment parenting anxiously conscientious little world Yoga seemed to fit right into this virtuous program but to her surprise Dederer found that the deeper she went into the poses the more they tested her most basic ideas of what makes a good mother daughter friend wife and the more they made her want something a little less tidy a little more improvisational Less goodness more joy *Poser* is unlike any other book about yoga you will read because it is actually a book about life Witty and heartfelt sharp and irreverent *Poser* is for anyone who has ever tried to stand on their head while keeping both feet on the ground
