The American Aberdeen-Angus Herd Book, 1919 **The American Aberdeen-Angus Herd-book** American Aberdeen-Angus Breeders' Association, 1919 *Songs for the Fast and Pascha* Saint Ephraem (Syrus), 2022 Among the writers of the Syriac Christian tradition none is as renowned as St Ephrem of Nisibis ca 307 373 known to much of the later Christian world simply as the Syrian The great majority of Ephrem's works are poetry with the madras teaching songs especially prominent This volume presents English translations of four complete madras cycles of Ephrem On the Fast On the Unleavened Bread On the Crucifixion and On the Resurrection These collections include some of the most liturgically oriented songs in Ephrem's corpus and as such provide a window into the celebration of Lent and Easter in the Syriac speaking churches of northern Mesopotamia in the fourth century Even more significantly they represent some of the oldest surviving poetry composed for these liturgical seasons in the entire Christian tradition Not only are the liturgical occasions of the springtime months a source of colorful imagery in these texts but Ephrem also employs traditional motifs of warm weather spring rainstorms and revived vegetation which likely reflect Hellenistic literary influences Like all of Ephrem's poetry these songs express early Christian theology in language that is symbolic terse and vibrant They are rich with biblical allusions and references especially to the Exodus and Passion narratives They also reveal a contested religious environment in which Ephrem strove to promote the Christian Pascha and Christian interpretations of Scripture over and against those of Jewish communities in the region thus maintaining firm boundaries around the identity and practices of the churches [The Complete Idiot's Guide Astrology Dictionary](#) Arlene Tognetti, Stephanie Jourdan, Ph.D., 2010-11-02 From Astrology to the Zodiac The Complete Idiot's Guide Astrology Dictionary gives readers over 1 500 entries on everything about astrology from A to Z including everything they need to know to read their chart and make interpretations Organized in two sections for quick and easy reference providing readers with the meaning of the term or topic then interpretations that can be applied for readers to learn more about themselves or others Tognetti is also the lead author of The Complete Idiot's Guide to Astrology Fourth Edition The Complete Idiot's Guide to Tarot Second Edition and The Complete Idiot's Guide to Tarot Spreads

Copyright Office,1973 **Five Points** Tyler Anbinder,2012-06-05 The very letters of the two words seem as they are written to redden with the blood stains of unavenged crime There is Murder in every syllable and Want Misery and Pestilence take startling form and crowd upon the imagination as the pen traces the words So wrote a reporter about Five Points the most infamous neighborhood in nineteenth century America the place where slumming was invented All but forgotten today Five Points was once renowned the world over Its handful of streets in lower Manhattan featured America s most wretched poverty shared by Irish Jewish German Italian Chinese and African Americans It was the scene of more riots scams saloons brothels and drunkenness than any other neighborhood in the new world Yet it was also a font of creative energy crammed full of cheap theaters and dance halls prizefighters and machine politicians and meeting halls for the political clubs that would come to dominate not just the city but an entire era in American politics From Jacob Riis to Abraham Lincoln Davy Crockett to Charles Dickens Five Points both horrified and inspired everyone who saw it The story that Anbinder tells is the classic tale of America s immigrant past as successive waves of new arrivals fought for survival in a land that was as exciting as it was dangerous as riotous as it was culturally rich Tyler Anbinder offers the first ever history of this now forgotten neighborhood

drawing on a wealth of research among letters and diaries newspapers and bank records police reports and archaeological digs Beginning with the Irish potato famine influx in the 1840s and ending with the rise of Chinatown in the early twentieth century he weaves unforgettable individual stories into a tapestry of tenements work crews leisure pursuits both licit and otherwise and riots and political brawls that never seemed to let up Although the intimate stories that fill Anbinder's narrative are heart wrenching they are perhaps not so shocking as they first appear Almost all of us trace our roots to once humble stock Five Points is in short a microcosm of America Beyond Left & Right David A. Horowitz,1997 Beyond Left and Right is a sweeping overview of political insurgency in the United States from the 1880s to the present It is at once a stunning synthesis drawing on a large number of scholarly works and an ambitious and original piece of research The book ranges over diverse individuals and groups that have attacked the established order from the left and the right from the Populists of the 1890s to Ross Perot and the religious right of our times dealing along the way with non interventionists Klans monetary radicals McCarthyites Birchers and Reaganites among many others Korea Journal ,1980 **The "Pope" of Holland House** John Whishaw,William Prideaux Courtney,1906 **Grand Emporium, Mercantile Monster** Ritchie Devon Watson (Jr.),Ritchie Devon Watson, Jr.,2023-06-07 Focusing on the crucial period of 1820 to 1860 Grand Emporium Mercantile Monster examines the strong economic bonds between the antebellum plantation South and the burgeoning city of New York that resulted from the highly lucrative trade in cotton In this richly detailed work of literary and cultural history Ritchie Devon Watson Jr charts how the partnership brought fantastic wealth to both the South and Gotham during the first half of the nineteenth century That mutually beneficial alliance also cemented New York's reputation as the northern metropolis most supportive of and hospitable to southerners Both parties initially found the commercial and cultural entente advantageous but their collaboration grew increasingly fraught by the 1840s as rising abolitionist sentiment in the North decried the system of chattel slavery that made possible the mass production of cotton In an effort to stem the swelling tide of abolitionism conservative southerners demanded absolute political fealty to their peculiar institution from the city that had profited most from the cotton trade By 1861 reactionary circles in the South viewed New York's failure to extend such unalloyed validation as the betrayal of an erstwhile ally that in the words of one polemicist deemed Gotham worthy of being blotted from the list of cities Drawing on contemporary letters diaries fiction and travel writings Grand Emporium Mercantile Monster provides the first detailed study of the complicated relationship between the antebellum South and New York City in the decades leading up to the Civil War *History of Europe from the Commencement of the French Revolution in MDCCCLXXXIX to the Restoration of the Bourbons in MDCCCXV* Archibald Alison,1835 **Guernsey Breeders' Journal** ,1918 **The Aberdeen-Angus Herd Book** Aberdeen-Angus Cattle Society,1929
