Elusive Embryo How Women And Men Approach New Reproductive Technologies:

The Elusive Embryo Gaylene Becker, 2000-12-20 This work examines the industry of reproductive technology from the perspective of the consumer An analysis is made of the array of medical options available to those with fertility problems and A Transnational Feminist View of Surrogacy Biomarkets in India Sheela the financial and emotional toll is assessed Saravanan, 2018-03-26 This book takes a reproductive justice approach to argue that surrogacy as practised in the contemporary neoliberal biomarkets crosses the humanitarian thresholds of feminism Drawing on her ethnographic work with surrogate mothers intended parents and medical practitioners in India the author shows the dark connections between poverty gender human rights violations and indignity in the surrogacy market In a developing country like India bio technologies therefore create reproductive objects of certain female bodies while promoting an image of reproductive liberation for others India is a classic example for how far these biomarkets can exploit vulnerabilities for individual requirements in the garb of reproductive liberty This critical book refers to a range of liberal radical and postcolonial feminist frameworks on surrogacy and questions the individual reproductive rights perspective as an approach to examine global surrogacy It introduces humanitarian feminism as an alternative concept to bridge feminist factions divided on contextual and ideological grounds It hopes to build a global feminist solidarity drawing on a reproductive justice approach by recognizing the histories of race class gender sexuality ability age and immigration oppression in all communities This work is of interest to researchers and students of medical sociology and anthropology gender studies bioethics and Lived Realities of Solo Motherhood, Donor Conception and Medically Assisted development studies **Reproduction** Tine Ravn, 2021-09-30 This book explores the empirical manifestations of the paradoxical features of reproductive technologies and provides in depth understandings of solo motherhood through assisted reproduction and by recognising the complex experiences and the lived realities of forming donor conceived families Inconceivable Iran Soraya Tremayne, 2022-10-14 Celebrating the 50th volume of the landmark Fertility Reproduction and Sexuality series this book offers a much needed analysis of shifting reproductive policies and practices in the Islamic Republic of Iran a society that is usually represented as either revolutionary or oppressive Instead Tremayne reflects on more than four decades of research arguing that changing reproductive behaviors on the part of ordinary Iranians must always be viewed against the backdrop of core cultural values and traditions which are often reinforced instead of radically altered by new reproductive technologies juridical opinions and state policies **Childbearing and the Changing Nature of Parenthood** Rosalina Pisco Costa, Sampson Lee Blair, 2019-11-25 Around the globe the very conceptualization of family is associated with the relationship between a parent and a child The birth of a child represents both the end of one experience and the beginning of another The Political Geographies of Pregnancy Laura R. Woliver, 2008-08-08 A searing study of how modern reproductive politics shapes women s bodily agency Gender Mary Evans, Carolyn H. Williams, 2013 Gender is a collection

of canonical and cutting edge research on gender The sheer scale of the growth in research output in gender makes this collection useful and meets the demand for one stop mini library of this fascinating and fundamental subject **Reproduction** M. Nash, 2014-07-04 How do rapid social and technological changes shape reproductive realms today This book considers the complex choices anxieties and challenges that come alongside postmodern reproduction for women and men in the West Topics include surrogacy fatherhood sperm banking egg donation contraception breastfeeding and Assisted Reproduction Across Borders Merete Lie, Nina Lykke, 2016-10-04 Today it often postpartum body image seems as though Assisted Reproductive Technologies ARTs have reached a stage of normalization at least in some countries and among certain social groups Apparently some practices for example in vitro fertilization IVF have become standard worldwide The contributors to Assisted Reproduction Across Borders argue against normalization as an uncontested overall trend This volume reflects on the state of the art of ARTs From feminist perspectives the contributors focus on contemporary political debates triggered by ARTs They examine the varying ways in which ARTs are interpreted and practised in different contexts depending on religious moral and political approaches Assisted Reproduction Across Borders embeds feminist analysis of ARTs across a wide variety of countries and cultural contexts discussing controversial practices such as surrogacy from the perspective of the global South as well as the global North as well as inequalities in terms of access to IVF This volume will appeal to scholars and students of anthropology ethnography philosophy political science history sociology film studies media studies literature art history area studies and interdisciplinary areas such as gender studies cultural studies Local Babies, Global Science Marcia C. Inhorn, 2012-11-12 In the late 1990s Egypt and postcolonial studies experienced a boom period in in vitro fertilization IVF technology and now boasts more IVF clinics than neighboring Israel In this book Marcia Inhorn writes of her fieldwork among affluent elite couples who sought in vitro fertilization in Egypt a country which is not only at the forefront of IVF technology in the Middle East but also a center of Islamic education in the region Inhorn examines the gender scientific religious and cultural ramifications of the transfer of IVF technology from Euro American points of origin to Egypt showing how cultural ideas reshape the use of this technology and in turn how the technology is reshaping cultural ideas in Egypt Men, Masculinities, and Infertilities Jonathan A. Allan, 2022-06-22 Drawing on diverse examples from literature film memoirs and popular culture Men Masculinities and Infertilities analyses cultural representations of male infertility Going beyond the biomedical and sociological towards interdisciplinary cultural studies this book studies depictions of men s infertility It includes fictional representations alongside memoirs newspaper articles ethnographies and autoethnographies and scientific reporting Works under discussion range from twentieth century novel Lady Chatterley's Lover to romantic comedy film Not Suitable For Children and science fiction classic Mr Adam as well as encompassing genres including blockbuster romance and memoir Men Masculinities and Infertilities draws upon both sociological and popular culture research to trace how the discourse of cultural anxiety unfolds across disciplines This
