Garin,2011-08-02 I know that I ll be evaluated in Seattle with wins and losses as that is the nature of my profession for the last thirty five years But our record will not be what motivates me Years ago I was asked Pete which is better winning or competing My response was instantaneous Competing because it lasts longer Pete Carroll is one of the most successful coaches in football today As the head coach at USC he brought the Trojans back to national prominence amassing a 97 19 record over nine seasons Now he shares the championship winning philosophy that led USC to seven straight Pac 10 titles This same mind set and culture will shape his program as he returns to the NFL to coach the Seattle Seahawks Carroll developed his unique coaching style by trial and error over his career He learned that you get better results by teaching instead of screaming and by helping players grow as people not just on the field He learned that an upbeat energetic atmosphere in the locker room can coexist with an unstoppable competitive drive He learned why you should stop worrying about your opponents why you should always act as if the whole world is watching and many other contrarian insights Carroll shows us how the Win Forever philosophy really works both in NCAA Division I competition and in the NFL He reveals how his recruiting strategies training routines and game day rituals preserve a team s culture year after year during championship seasons and disappointing seasons alike Win Forever is about more than winning football games it s about maximizing your potential in every aspect of your life Carroll has taught business leaders facing tough challenges He has helped troubled kids on the streets of Los Angeles through his foundation A Better LA His words are true in any situation If you want to win forever always compete *Denver Broncos eBook Bundle* Mark Kiszla,2014-12-03 Calling all Broncos fans Get three great reads about the Denver NFL franchise s past present and future in this compelling eBook bundle You get three books for the price of one including No Plan B the story of Peyton Manning s historic comeback My Off Season with the Broncos by Loren Landow the team s unofficial trainer during the 2011 lockout and 77 Broncos a historical look at one of the team s best seasons This collection is offered by Taylor Trade an imprint of Rowman Littlefield and specialty publisher in Colorado sports history **John Elway** Dan Hirshberg,1997 Traces the football career of the quarterback for the Denver Broncos Billboard ,1998-10-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1998-09-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment
