Embracing The Dance Of Independence:

Embracing the Dances of Life John Gasser, 2011-02-02 When we learn to embrace the dance with our Creator and Savior God begins to move mountains in our lives and He begins to restore the years of our youth the locusts have taken away Consider the nation of Egypt after the seven years of plenty when the seven years of famine began By the time the famine was over everything belonged to the Egyptian Pharaoh and everyone and everything was Pharaoh's possession It had become a socialistic culture and the government controlled it all During their times of trial in the seven year famine that was not the case of the Israelites who had turned to embrace their dance with God Israel resided in the land of Goshen God blessed them in a powerful way because they sought divine guidance and provisions from Jehovah The question we need to ask ourselves today in times of trials are we going to surrender everything we have to the government expecting hand outs in return or are we going to the Creator of the universe who holds the entire universe in the palm of His hand Louie Giglio said it best in his tour The Heart of Passion when he stated We serve a Ginormous God It is my desire that the reading of this book will restore unto you the years of your life the locusts of sin have taken from you so that you can genuinely embrace the dance with God in a powerful way

Shattered Reflections Laura Lee, The moon hung high in the midnight sky casting an ethereal glow upon the deserted streets of Lourdes a small town tucked away in the heart of the French countryside Simone Delacroix a young woman burdened by an unyielding sense of emptiness wandered through the winding alleys her footsteps echoing in the silence of the night In the shadows the remnants of shattered glass littered the cobblestones a stark reflection of the broken pieces of Simone s own life Her once vibrant spirit had been fractured by the weight of expectations and the suffocating conformity of her existence Trapped in a cycle of pleasing others she had lost touch with the true essence of her being A peculiar mirror caught Simone s attention standing alone in a dimly lit corner of an antiques shop Its ornate frame seemed to beckon to her whispering secrets from ages long past As she approached an irresistible pull drew her closer and before she knew it she stood before the mirror mesmerized by her own reflection But what she saw was not the familiar face she had grown accustomed to Instead a stranger stared back at her a woman with fiery eyes that mirrored her own inner turmoil with wild untamed hair that mirrored her desire for freedom It was a reflection that spoke of hidden depths and untapped potential of a dormant power waiting to be awakened A surge of curiosity and longing coursed through Simone s veins With trembling hands she reached out and touched the mirror s surface In that instant the world around her seemed to shift and dissolve giving way to a realm beyond her wildest imagination
