Emdenayesha Adventure German Raiders In The South Seas And Beyond 1914:

The Emden-Ayesha Adventure Hellmuth von Mücke, 2000 A rousing firsthand account of a legendary World War I odyssey

The Great War at Sea Lawrence Sondhaus, 2014-08-07 This is a major new naval history of the First World War which reveals the decisive contribution of the war at sea to Allied victory In a truly global account Lawrence Sondhaus traces the course of the campaigns in the North Sea Atlantic Adriatic Baltic and Mediterranean and examines the role of critical innovations in the design and performance of ships wireless communication and firepower He charts how Allied supremacy led the Central Powers to attempt to revolutionize naval warfare by pursuing unrestricted submarine warfare ultimately prompting the United States to enter the war Victory against the submarine challenge following their earlier success in sweeping the seas of German cruisers and other surface raiders left the Allies free to use the world's sea lanes to transport supplies and troops to Europe from overseas territories and eventually from the United States which proved a decisive factor in their ultimate victory

[The Siege of Tsingtau](#) Charles Stephenson, 2017-06-30 A well written modern narrative of the political and military events leading up to during and after the German Japanese War of 1914 The Australian Naval Institute The German Japanese War was a key yet often neglected episode in the opening phase of the First World War It had profound implications for the future particularly in respect of Japan's acquisition of Germany's Micronesian islands Japan's naval perimeter was extended and threatened the United States naval strategy of projecting force westward The campaign to relieve Germany of Tsingtau the port and naval base in China and its hinterland posed a grave threat to Chinese independence The course of the Second World War in China and the Pacific cannot be explained without reference to these events Charles Stephenson's account makes fascinating reading The siege of Tsingtau by the Japanese with token British participation forms the core of his story He draws on Japanese and German primary sources to describe the defenses the landings the course of the siege and eventual German surrender His study will be absorbing reading for anyone interested in the campaigns of the First World War outside of Europe in German colonial expansion and the rise to power of Japan Overall the volume delivers a much needed interesting and often highly detailed overview of operations in the Pacific and the siege of Tsingtau The volume excels especially in its detailed narrative of naval and land operations in the Pacific and in China The geopolitical background provides a most useful introduction to the history of the region *International Journal of Maritime History*

[Germany's Asia-Pacific Empire](#) Charles Stephenson, 2009 An overview of Germany's naval and imperial activities in East Asia and the Pacific in the years leading up to the First World War This book examines German attempts to acquire colonial territories in East Asia and the Pacific and discusses the huge impact this had on local and other international powers It covers the German acquisition of Kiautschou in 1897 which had profound consequences for China beginning a scramble for concessions by other western powers the formation of the powerful German East Asiatic Cruiser Squadron which was seen by the British as a major threat and which resulted in the advent of the Fleet Unit concept and the birth of the

Royal Australian Navy the Japanese siege and capture of the key German base of Tsingtau in 1914 and the fate of the various former German colonies after Germany's defeat in 1918 The book contains many illustrations from the author's extensive private collection Charles Stephenson is an extensively published military historian whose books include *Moel Famau and the Jubilee Tower of King George III* 2008 *Servant to the King for His Fortifications* Paul Ive and the *Practise of Fortification* 2008 *The Admiral's Secret Weapon* published by Boydell in 2006 *Fortifications of the Channel Islands 1941-45* Hitler's *Impregnable Fortress* 2006 *The Fortifications of Malta 1530-1945* 2004 and *Zeppelins German Airships 1900-1940* 2004
