Handbook Of West African Art:

Handbook of West African Art William Russell Bascom, Paul Gebauer, 1954 **Handbook of West African Art** William R. Bascom, 1953 *Handbook of West African Art. Assembled and Ed. by Robert E. Ritzenthaler* William R. Bascom, Paul Gebauer, Robert E. Ritzenthaler, 1964 *The Columbia Guide to West African Literature in English Since 1945* Oyekan Owomoyela, 2008-10-21

Composed by a premier scholar of African literature this volume is a comprehensive guide to the literary traditions of Gambia Sierra Leone Liberia Ghana and Nigeria five distinct countries bound by their experience with colonialism Oyekan Owomoyela begins with an overview of the authors texts and historical events that have shaped the development of postwar Anglophone literatures in this region exploring shifts in theme and the role of foreign sponsorship and illuminating recent debates regarding the language identity gender and social commitments of various authors and their works His introduction concludes with a bibliography of key critical texts The second half of the volume is an alphabetical tour of writers publications concepts genres movements and institutions with suggested readings for further research Entries focus primarily on fiction but also touch on drama and poetry Featured authors include Chris Abani Chinua Achebe Chimamanda Ngozi Adichie Cyprian Ekwensi Uzodinma Chukuka Iweala Helen Oyeyemi and Wole Soyinka Topics range from the European origins of African literature and the West African diaspora to the development of an African personality the establishment of a regional publishing industry and the global literary marketplace Owomoyela also discusses such influences as the postwar emergence of Onitsha Market Literature the Mbari Club and the importance of the Noma Award Owomoyela's portrait points to the major impact of West African literature on the evolution of both African and world literatures in English Sure to become the definitive text for research in the field *The Columbia Guide to West African Literature in English Since 1945* is a vital resource for newcomers as well as for advanced scholars seeking a deeper understanding of the region's rich literary heritage *The Garland Handbook of African Music* Ruth M. Stone, 2010-04-02

The Garland Handbook of African Music is comprised of essays from *The Garland Encyclopedia of World Music* Volume 1 Africa 1997 Revised and updated the essays offer detailed regional studies of the different musical cultures of Africa and examine the ways in which music helps to define the identity of this particular area Part One provides an in depth introduction to Africa Part Two focuses on issues and processes such as notation and oral tradition dance in communal life and intellectual property Part Three focuses on the different regions countries and cultures of Africa with selected regional case studies The second edition has been expanded to include exciting new scholarship that has been conducted since the first edition was published Questions for Critical Thinking at the end of each major section guide and focus attention on what musical and cultural issues arise when one studies the music of Africa issues that might not occur in the study of other musics of the world An accompanying audio compact disc offers musical examples of some of the music of Africa **The Palgrave Handbook of African Colonial and Postcolonial History** Martin S. Shanguhya, Toyin Falola, 2018-01-28 This

wide ranging volume presents the most complete appraisal of modern African history to date It assembles dozens of new and established scholars to tackle the questions and subjects that define the field ranging from the economy the two world wars nationalism decolonization and postcolonial politics to religion development sexuality and the African youth experience Contributors are drawn from numerous fields in African studies including art music literature education and anthropology The themes they cover illustrate the depth of modern African history and the diversity and originality of lenses available for examining it Older themes in the field have been treated to an engaging re assessment while new and emerging themes are situated as the book s core strength The result is a comprehensive vital picture of where the field of modern African history stands today
