**The Handbook of Spiritual Development in Childhood and Adolescence** Eugene C. Roehlkepartain, Pamela Ebstyne King, Linda Wagener, Peter L. Benson, 2005-08-04 The Handbook of Spiritual Development in Childhood and Adolescence breaks new ground by articulating the state of knowledge in the area of childhood and adolescent spiritual development Featuring a rich array of theory and research from an international assortment of leading social scientists in multiple disciplines this book represents work from diverse traditions and approaches making it an invaluable resource for scholars across a variety of disciplines and organizations

**Theology**, 2004-02-07 **International Handbook of Inter-religious Education** Kath Engebretson, Marian de Souza, Gloria Durka, Liam Gearon, 2010-08-17 This Handbook is based on the conviction of its editors and contributing authors that understanding and acceptance of as well as collaboration between religions has essential educational value The development of this Handbook rests on the further assumption that interreligious education has an important role in elucidating the global demand for human rights justice and peace Interreligious education reveals that the creeds and holy books of the world's religions teach about spiritual systems that reject violence and the individualistic pursuit of economic and political gain and call their followers to compassion for every human being It also seeks to lead students to an awareness that the followers of religions across the world need to be and to grow in dialogical relationships of respect and understanding An essential aim of interreligious education is the promotion of understanding and engagement between people of different religions and therefore it has great potential to contribute to the common good of the global community Interreligious education has grown from the interfaith movement whose beginning is usually identified with the World Parliament of Religions held in Chicago in 1893 This was the first time in history that leaders of the eastern and western religions had come together for dialogue and to consider working together for global unity
