News Inc Portland OR      *The Handbook of Sexual Dysfunction* Wayne J. G. Hellstrom, 1999      *Clinical Handbook of Psychological Disorders, Fourth Edition* David H. Barlow, 2007-11-15 With over 75 000 copies sold this clinical guide and widely adopted text presents authoritative guidelines for treating frequently encountered adult disorders The Handbook is unique in its focus on evidence based practice and its attention to the most pressing question asked by students and practitioners How do I do it Leading clinical researchers provide essential background knowledge on each problem describe the conceptual and empirical bases of their respective approaches and illustrate the nuts and bolts of evidence based assessment and intervention      **Handbook of Sex Therapy** Joseph LoPiccolo, Leslie LoPiccolo, 2012-12-06 When is it timely to publish a synthesis of previously published and original materials from a specific discipline I believe it to be timely when one has a sufficient amount of high quality material covering the critical areas of that topic when the previously published material is scattered over a wide range of journals and books and when there is no single book that synthesizes the discipline The treatment of sexual dysfunction emerged to the front lines of health delivery only during the past decade with the pioneering work of William Masters and Virginia Johnson In spite of the rash of sex clinics and sex therapists that followed precious little solid research has been conducted on the various strategies of therapy the means of assessing complex interpersonal sexual relationships and the manner by which clinical change is objectively assessed No one reader can keep pace with the multitude of journals that publish key material by sophisticated investigators And no one investigator can cover these salient areas alone with his or her original work in a single volume The critical papers have now been written Ten were written specifically for this volume and thirty three have previously appeared This volume laces them together into a coherent pattern Thus the time for a synthesis in sexual dysfunction      *Loss of Desire* Marina Kerkhoff, Jona van Weteren, Michael Schuyler, 2025-04-22 Sexual dysfunction is widespread but often invisible It affects body and soul relationship and identity and is an expression of complex internal and external tensions This book provides a deep insight into the complex relationships of sexual dysfunction and sheds light on it from a medical psychological social cultural and ethical perspective For professionals this work provides a comprehensive basis for diagnosis and therapy at the cutting edge of science and practice For those affected it creates a comprehensible sensitive and non pathologising understanding of sexual health The focus is always on the person with their history their relationships their physicality and their ability to change In addition to classic treatment approaches the book presents new forms of therapy from personalised hormone and psychotherapies body centred methods mindfulness based sex therapies and virtual reality supported interventions to digitally assisted self help programmes It also discusses integrative concepts that incorporate social factors such as gender roles cultural norms and digital sex cultures into therapeutic work An interdisciplinary work of reference differentiated well founded and humane For a future sexology that not only heals but also understands and takes sexuality seriously as a vibrant expression of dignity self determination and relationship skills Bremen University Press has published over 4 500 specialist
