Messiah - Arias and Choruses, Handel (cd). George frideric Handel, Neville Marriner, **George Frideric Handel** DECCA, Julian (Ed.) Herbage, 1961 London Sympony Orchestra and Chorus Sir Adrian Boult **Handel** George Frideric, 1961 13 Choruses Total Time 64 44 **Handel** CD Han, Messiah George Frideric Handel, 1961 MESSIAH BY GEORGE FRIDERIC HANDEL Messiah, Handel - Arias and Choruses (cassette). George frideric Handel, Neville* Marriner, Handel Donald Burrows, 1991-06-24 This new guide to Handel s most celebrated work traces the course of Messiah from Handel s initial musical response to the libretto through the oratorio s turbulent first years to its eventual popularity with the Foundling Hospital performances Different chapters consider the varying reception the work received in Dublin and London the uneasy relationship between the composer and his librettist Charles Jennens and the many changes Messiah underwent through the varying needs and capacities of Handel s performers As well as tracing the history of the work s development the book addresses musical and technical issues such as Messiah s place in the oratorio genre Handel s treatment of structural design tonal relationships and English word setting An edited libretto elucidates the variants between the text that Handel set and the texts of the early printed word books Donald Burrows brings many new insights to this fascinating account of one of the favourite works of the concert hall **Arias, Ensembles, & Choruses** John Yaffé, David Daniels, 2011-11-17 Conductors John Yaff and David Daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels Orchestral Music Arias Ensembles Choruses includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has

An illustrated edition of the libretto for Handel s popular choral work **Handel's Messiah** Amanda Babington, 2024-06-07

The soundtrack of the Christmas season for many music lovers Messiah is performed annually by choral societies across the world And so perhaps unsurprisingly many aspects of it have been explored by scholars over the years The work is the subject of several listeners guides and there are a number of books and articles of various lengths that describe the biographical circumstances of the work s formation and details of its many performances many including lists of singers for each performance an area that has itself spawned a whole field of research There has been no extensive study of the creative process of Messiah however since 1969 This book seeks to redress this imbalance by providing a thorough investigation of the work s creative process Beginning with the creative process of the libretto it examines the earliest sketches Handel s use of pre-existent material alterations made to the autograph score and the latest versions of movements Each stage of composition is examined via primary source material with particular reference to the autograph score and conducting score Each chapter is formed as a case study and contains related discussion points for use in teaching or study settings **Face to Face with Orchestra and Chorus, Second, Expanded Edition** Don V Moses, Robert W. Demaree, Jr., Allen F. Ohmes, 2004-10-18

Face to Face with Orchestra and Chorus is a crucial guide for choral conductors who are presented with the daunting task of conducting a full size orchestra This book provides a survival kit for both novice and experienced choral conductors with an overview of the orchestral instruments and their particular needs tips for rehearsing an orchestra effectively and guidelines for proper baton technique Conductors are walked through six case studies from the Baroque and Classical periods including Handel s Messiah Bach s Magnificat in D Major Vivaldi s Gloria and Beethoven s Choral Fantasia , *Choral Masterworks* Michael Steinberg, 2005-04-22

Michael Steinberg s highly successful listener s guides The Symphony and The Concerto have been universally praised for their blend of captivating biography crystal clear musical analysis and delightful humor Now Steinberg follows these two greatly admired volumes with Choral Masterworks the only such guide available to this most popular of musical forms Here are more than fifty illuminating essays on the classic choral masterworks ranging from Handel s Messiah Bach s Mass in B Minor and Beethoven s Missa solemnis to works by Haydn Brahms Mendelssohn and many others Steinberg spans the entire history of classical music from such giants of the Romantic era as Verdi and Berlioz to leading modern composers such as Elgar Rachmaninoff Vaughan Williams and Stravinsky to contemporary masters such as John Adams and Charles Wuorinen For each piece Steinberg includes a fascinating biographical account of the work s genesis often spiced with wonderful asides The author includes an astute musical analysis of each piece one that casual music lovers can easily appreciate and that more serious fans will find invaluable The book also provides basic information such as the various movements of the work the organization of the chorus and orchestra and brief

historical notes on early performances More than twenty million Americans perform regularly in choirs or choruses Choral Masterworks will appeal not only to concert goers and CD collectors but also to this vast multitude of choral performers an especially engaged and active community What sets Steinberg s writing apart is its appealing mixture of impregnable authority he knows this music and purely personal asides by the end of the book we know this man Choral Masterworks can be read by anybody from a professional musician to any young listener newly braced by the stoic pessimism of the Brahms German Requiem Washington Post Book World
