The Eternal Church Bill Hamon, 2011-07-28 Hamon takes readers on a journey throughout the history of the church Beginning at the origination of the church in the 1st Century he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present In The Hands of the Enemy Bryce E.

Disguises James J. Benjamin, 2010-04-15 I honor God for giving me this word for his people While going through a difficult time in my life I experienced God like never before All that I have been through in my life God told me to write it down because my life is a testimony to the next person We as people of God need to be able to detect the many different disguises of the enemy In this book I am going to expose the enemy I'm going to bring to the light the many different disguises and faces that the enemy has set for the people of God to lose their focus Satan is present and evident and present in the world today and unless we recognize his disguises we will be unable to defeat him I pray that this word convict the hearts of the readers

Maide Pauline Bradford Mackie, 2021-11-05 Over two centuries ago a little Puritan maiden might have been seen passing along the Indian path which led from out Salem Town to her home It was near the close of day The solemn twilight of the great primeval forest was beginning to fall But the little maid tripped lightly on unawed untroubled From underneath her snowy linen cap with its stiffly starched ear flaps hung the braid of her hair several shades more golden than the hue of her gown Over one arm she carried her woolen stockings and buckled shoon A man seated near the path on the trunk of a fallen tree of such gigantic girth that his feet swung off the ground although he was a person of no inconsiderable size hailed her as she neared him Where do you wend your way in such hasty fashion little mistress She paused and bobbed him a very fine courtesy such as she had been taught in the Dame School judging him to be an important personage by reason of his sword with its jeweled hilt and his plumed hat I be sorely hungered good sir she replied and I ken that Goody Higgins has a bowl o porridge piping hot for me in the chimney corner Her dimpled face grew grave her eyelids fell When one for a grievous sin she added humbly has stood from early morn till set o sun on a block o wood beside the town pump and has had naught to eat

in all that time one hungers much *The Circle Girls* Anya Novikov,2013-10-04 God will give you blood to drink An ordinary teenager finds out what witch hunting is all about in her own everyday world Deliverance Delli Willis a normal almost sixteen year old finds herself dreaming wild dreams about a girl in 1692 who is also named Deliverance And then to Delli s amazement the stuff of dreams appears in her classroom unit on the Salem Witch Trials Is it just a coincidence when 1692 Deliverance finds herself entranced by a mysterious man in the woods and then Delli finds a new and mysterious neighbor walking through her family avocado grove Or when her dreams uncover similarities between both mystery men and more Delli s not sure what to believe but she s eager to share the handsome newcomer with her circle of friends What she doesn t realize is the danger of someone unique entering the closed loop Fingers point jealousies surge lies are cast sides taken and people are out for blood It s a modern day witch hunt that collides with 1692 in ways Delli never dreamed It will take lessons from her dreamscape and a stand against bullies to tighten Delli s faith in God and pull her through some trials of her own
