Toilet Harvey Molotch, Laura Noren, 2010-11-17 A sociological study of public restrooms So much happens in the public toilet that we never talk about Finding the right door waiting in line and using the facilities are often undertaken with trepidation Don't touch anything Try not to smell Avoid eye contact And for men don't look down or let your eyes stray Even washing one's hands are tied to anxieties of disgust and humiliation And yet other things also happen in these spaces babies are changed conversations are had make up is applied and notes are scrawled for posterity Beyond these private issues there are also real public concerns problems of public access ecological waste and in many parts of the world sanitation crises At public events why are women constantly waiting in long lines but not men Where do the homeless go when cities decide to close public sites Should bathrooms become standardized to accommodate the disabled Is it possible to create a unisex bathroom for transgendered people In Toilet noted sociologist Harvey Molotch and Laura Nor n bring together twelve essays by urbanists historians and cultural analysts among others to shed light on the public restroom These noted scholars offer an assessment of our historical and contemporary practices showing us the intricate mechanisms through which even the physical design of restrooms the configurations of stalls the number of urinals the placement of sinks and the continuing segregation of women's and men's bathrooms reflect and sustain our cultural attitudes towards gender class and disability Based on a broad range of conceptual political and down to earth viewpoints the original essays in this volume show how the bathroom as a practical

matter reveals competing visions of pollution danger and distinction Although what happens in the toilet usually stays in the toilet this brilliant revelatory and often funny book aims to bring it all out into the open proving that profound and meaningful history can be made even in the can Contributors Ruth Barcan Irus Braverman Mary Ann Case Olga Gershenson Clara Greed Zena Kamash Terry Kogan Harvey Molotch Laura Nor n Barbara Penner Brian Reynolds and David Serlin

Medical Madness George Huber,2014-09-30 A PATIENTS PERSPECTIVE There have been an increasing number of articles and books by medical professionals warning us of the hospital dangers but very few by patients based on their personal experience This I will guarantee your awareness of my experience will drastically change your perception of our medical service You will be less certain less trusting more perceptively critical but safer Hospitals kill 100 000 patients per year mostly through unintended medical errors Medical complications following my routine procedure were so severe it resulted in horrific corrective measures exposing me to months of accumulated hospital treatment The book portrays vividly and honestly how one is more likely to be killed in the hospital than anywhere else on the planet So read on That makes the hospital our haven of wellness the most dangerous institution in the world The life you save may be your own or one even more precious to you I was fortunate lucky enough to survive five major surgeries with complications in as many years This book describes my experience in vivid detailwith essential recommendations regarding what you need to know and do for those you care for before you become a patient **To the Cloud** Vincent Mosco,2015-11-17 Cloud computing and big data are arguably the most significant forces in information technology today In the wake of revelations about National Security Agency NSA activities many of which occur in the cloud this book offers both enlightenment and a critical view Vincent Mosco explores where the cloud originated what it means and how important it is for business government and citizens He describes the intense competition among cloud companies like Amazon and Google the spread of the cloud to government agencies like the controversial NSA and the astounding growth of entire cloud cities in China Is the cloud the long promised information utility that will solve many of the world s economic and social problems Or is it just marketing hype To the Cloud provides the first thorough analysis of the potential and the problems of a technology that may very well disrupt the world

The Top Books of the Year Hands On Html The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
