Plato: Theaetetus and Sophist Plato, 2015-12-03 A new and lively translation of two Platonic dialogues widely read and discussed by philosophers with introduction and notes

Plato: Theaetetus and Sophist, 2015-11-24 Plato's Theaetetus and Sophist are two of his most important dialogues and are widely read and discussed by philosophers for what they reveal about his epistemology and particularly his accounts of belief and knowledge Although they form part of a single Platonic project these dialogues are not usually presented as a pair as they are in Christopher Rowe's new and lively translation Offering a high standard of accuracy and readability the translation reveals the continuity between these dialogues and others in the Platonic corpus especially the Republic The supporting introduction and notes help the reader to follow the arguments as they develop explaining their structure context and interpretation This new edition challenges current scholarly approaches to Plato's work and will pave the way for fresh interpretations both of Theaetetus and Sophist and of Plato's writings in general

Mastering Hand Building Sunshine Cobb, 2018-01-16 Mastering Hand Building teaches everything you need to know about building with clay by hand from the basics of coils and slabs through more complex form design

Breachers: Trott and Mendlaw Linda Mooney, 2025-09-14 Male Breachers are being murdered More specifically something's exploding from the inside out What on earth is happening Is it murder Or a birth of sorts And if it's a type of grisly birth who or what is being born Furthermore where are the babies Olmsly Morrow calls in Clay Trott and Davida Mendlaw Both are Breachers of the purest bloodlines and he feels there's no one better to solve the deaths of their fellow Breachers The problem is that Clay's and Davida's species are mortal enemies and have been for years It's an eons long prejudice that has been passed down through generations But they're not on the old planet anymore They've never even set foot on it So why are their species still fighting As the investigation gets more and more complicated gut instincts are telling Davida and Clay that not all good guys are good They're having to keep things close to the vest to solve the mystery of these deaths With Breacher numbers declining they must put the past behind them and work together if they're to save their kind from extinction And if this case wasn't harrowing enough Clay and Davida are also having to deal with their growing feelings for each other knowing that in the end it will never work out It's a realization that almost tears them apart

Rousseau's Hand Angelica Goodden, 2013-10-31 For all the fame he won as a writer during a brief but astonishingly fertile period in the 1750s and early 1760s Rousseau thought the making of books essentially foreign to his nature what mattered most to him was making things Descended as he was from a long line of watchmakers and raised in the artisanal heart of Geneva he helped the promotion of craft associated with his one time friend Diderot whose *Encyclopédie* proclaimed the varied virtues of manual activity Taking as its point of departure the moral and monetary economy of craftsmanship in eighteenth century Switzerland this elegant and original study shows how family tradition and his own unfinished apprenticeship to an engraver led Rousseau to a radical questioning of central issues of the day particularly in light of the moral utilitarianism of his age Rousseau's *Hand* highlights the vital place of handwork in the artistic and social writings of his middle years from novels and plays to treatises and other forms of discourse illuminating many matters traditionally seen as inconsistencies in his *œuvre* as a whole Abandoning creative writing for music copying in middle life Rousseau celebrated *homo faber*'s integrity along with the practicality and usefulness of handwork in the face of depersonalizing technological advance yet the writings in which he extolled these virtues won him persecution as well as European celebrity The paradox of craft's material essence in what he thought a world of abhorrent materialism and the problematic mechanization of ordinary existence exercised him throughout his life Rousseau's *Hand* explores these preoccupations
