The Spear of Tyranny Grant R. Jeffrey, 2000-09-29 The unforgettable sequel to *By Dawn's Early Light* A tale of faith love terror and hope It seems like a dream come true Especially to a world ravaged by war and exhausted by drought Especially to a society grown fearful from widespread crime and mystified by mass disappearances and unprovoked animal attacks And especially to a young Israeli couple devastated by their own very personal loss and unable to reach out to each other in their private pain After centuries of war and decades of crime the prospect of international harmony is tantalizing the tiny nation of Israel After millennia of waiting the prospect of a rebuilt Temple on Jerusalem's holy mount seems a miraculous gift And to Israeli Major Isaac Ben David disillusioned by loss and hungry for meaning the opportunity to work for peace is all but irresistible Isaac's

How We Got Our Bible Chuck Missler,2023-01-20 Where did our Bible come from How good are the texts Why do we believe its origin is supernatural How do we know that it really is the Word of God How accurate are our translations Which version is the best Chuck Missler an internationally recognized Biblical authority reviews the origin of both the Old and New Testaments in light of recent discoveries and controversies

Creation Unlimited John Allen-Piper,2023-11-30 The origin and integrity of the Biblical text are described with gematria and equidistant letter spacing requiring Divine inspiration There should therefore be no conflict between the Bible and established Science Key conflicts perceived by the secular world are evaluated in detail The fine tuning of the Earth and Universe enabling humankind to survive and flourish are summarised and the supreme perfections of design in humanity in nature and Universe described General Relativity since the Big Bang is used to resolve a timescale matching the events of the Six Days of Genesis terminating in the recent special creation of humankind
