visualize letters grouped together as one united word which makes it easier for them to remember and memorize the word they're forming or writing. Because they can form words easily, they'll be able to form sentences easily as well. They have an increased skill in syntax which means they understand how words should be organized and are able to create complex sentences. Here's the problem: Your kids don't see the importance of cursive writing so they don't want to learn it. You have a hard time keeping them focused because they find it boring. Don't worry. The Cursive Handwriting Workbook for kids is here to equip children who are 8-12 years old with all the skills they need for school and for their life. In this workbook, your child can improve fine motor skills. Cursive writing requires a more thorough and fluid movement which will help develop your child's fine motor skills. Master Cursive Writing: Encourage your child to practice writing letters, words, sentences, questions, numbers as words, numbers as digits, and stories in a fun and exciting way. Enjoy Coloring Pictures: Entertain your child with cute illustrations for each letter, word, or phrase that will help them reinforce what they have learned. With this workbook, teaching your child cursive will be a piece of cake. Each page will make your child curious about what will happen next, making them practice writing more. After mastering cursive, they will be able to create their very own signature, a standard requirement as an adult. What are you waiting for? Build a strong foundation for your child.
