is the 24 Movement Form This basic Form contains the foundational movements that are in all other Forms including the weapons and partner Forms There is much to learn about Tai Chi and many levels of knowledge before a student may move on to more advanced levels and Forms This Stickman 24 Movement Form is the beginning Although Tai Chi looks easy and simple it is quite complex and can be quite difficult to learn In a light hearted manner this Stickman 24 Movement Form ebook teaches in the simplest manner the basics of beginning Tai Chi It is designed to be as simple as possible in order to make learning easy for the beginning student with their first experience of Tai Chi while still offering deeper learning such as Yin and Yang legs turning on the hip track the martial art applications Unlike other how to Tai chi books with grainy black and white photos in this Stickman Tai Chi 24 Form ebook the images clearly illustrate each step of the movements The accompanying text descriptions are clear complete and concise Subjects covered include Muscle memory what it is and how to use it to your benefit Foot positions and proper stances Tai Chi stepping and stances The hands and fists of Tai Chi Commencement and Conclusion movements Tai Chi terminology A body position checklist to use each time you begin the Form IMPORTANT NOTE It is important to note here that optimally you should learn any Form of Tai Chi with a teacher and especially when you re just beginning to learn Tai Chi Books and DVDs are wonderful as support for learning Tai Chi forms from an instructor but they are not a substitute for live classes and workshops with a teacher This book was created as a very basic introduction to Tai Chi and to support the in person teaching during an on going class taught by a Tai Chi Master There are many reasons why attending a live class is optimum the most important of which is that an instructor can spot how you may be incorrectly performing a movement It s far easier and much wiser to learn the movements correctly the first time
