Hanging Together Equality In An Urban Nation:

Hanging Together William L. Taylor, 1971 **The Pursuit of Equality in American History** Jack Richon Pole, Pole, Jack Richon Pole, Professor J R Pole, 1978-01-01 The author looks to the origins of equality in Greek thought and the idea s important in the eighteenth century to understand the tenacious attraction it has had for American over more than two hundred years of political legal and social controversy **National Endowment for the Humanities and the Equal Employment Opportunity Commission Hiring Policies** United States. Congress. House. Committee on Government Operations. Government Activities and Transportation Subcommittee, 1984 *School Desegregation in Metropolitan Areas*, 1977 *Civil Rights Digest*, 1972 *Between North and South* Brett Gadsden, 2012-10-08 Between North and South chronicles the three decade long struggle over segregated schooling in Delaware a key border state and important site of civil rights activism and white reaction Historian Brett Gadsden begins by tracing the origins of a long litigation campaign by NAACP attorneys who translated popular complaints about the inequities in Jim Crow schooling into challenges to racial proscriptions in public education Their legal victories subsequently provided the evidentiary basis for the Supreme Court s historic decision in Brown v Board of Education marking Delaware as a center of civil rights advancements Gadsden s further examination of a novel metropolitan approach to address the problem of segregation in city and suburban schools wherein proponents highlighted the web of state sponsored discrimination that produced interrelated school and residential segregation reveals the strategic creativity of civil rights activists He shows us how even in the face of concerted white opposition these activists continued to advance civil rights reforms into the 1970s secured one of the most progressive busing remedies in the nation and created a potential model for desegregation efforts across the United States Between North and South also explores how activists on both sides of the contest in this border state adjacent to the Mason Dixon line helped create perpetuate and contest ideas of southern exceptionalism and northern innocence Gadsden offers instead a new framework in which southern style and northern style modes of racial segregation and discrimination are revealed largely as regional myths that civil rights activists and opponents alternately evoked and strategically deployed to both advance and thwart reform *The Courts, Social Science, and School Desegregation* Betsy Levin, 2018-02-06 This book surveys the legal issues confronting courts as they decide school desegregation cases and the extent to which social science research has been brought to bear on those issues It examines the relationship between school segregation and residential segregation

Library, 1971 *Race, Class, and Gender in the United States* Paula S. Rothenberg, 2004 Race Class and Gender in the United States An Integrated Study presents students with a compelling clear study of issues of race gender and sexuality within the context of class Rothenberg offers students 126 readings each providing different perspectives and examining the ways in which race gender class and sexuality are socially constructed

Rothenberg deftly and consistently helps students analyze each phenomena as well as the relationships among them thereby deepening their understanding of each issue surrounding race and ethnicity *Housing and Planning References* ,1972

The History Of U.S. Ethnic Policy And Its Impact On European Ethnic John Lescott-Leszczyński,2019-09-06

Ethnic considerations have often played a part in the development of U S public policy even for policies not directly targeting ethnic groups This book surveys the impact of specific legislation on ethnics particularly European ethnics from a historical perspective Its primary focus however is the contemporary body of legislation and regulation based on the 1964 Civil Rights Act which laid the foundation for a conscious and comprehensive racial and ethnic policy intended to aid disadvantaged minorities One of the major outcomes of the 1964 act was the implementation of affirmative action programs mandated by the federal government for its own agencies for federally funded institutions and for private enterprise Implementation depended on data collection based on federally developed racial and ethnic categories Because European ethnics were not included as an identifiable category many discovered Dr Lescott Leszczyński felt that preferential treatment for certain other ethnic groups operated to their disadvantage ethnic tension inevitably resulted Through a systematic review of laws executive orders federal agency directives and related jurisprudence Dr Lescott Leszczyński conveys the extent to which social change has been effected by ethnic policies and explores the ways in which ethnic policy develops how it is expressed how it is implemented and how it is challenged **Personnel Literature** United States.
