Hangmans Song:

The Hangman's Song James Oswald, 2020-06-11 An Edinburgh detective suspects a rash of apparent suicides is something more sinister in this Scottish mystery thriller by the author of *Book of Souls* The body of a man is found hanging in an empty house To the Edinburgh police force this is a simple suicide case But something about the scene strikes Detective Inspector Tony McLean as being off Days later another body is found hanging from an identical rope with a noose tied in the identical way McLean is convinced that these people are either being murdered or somehow coerced into taking their own lives Then a third body is found Under pressure from his superiors to wrap the case up quickly and neatly McLean must also deal with the fallout of his last big investigation not to mention the difficult trials of his personal life But the deeper McLean digs the more he comes to believe that something evil is stalking Edinburgh's streets He just hopes he can stop it before someone else succumbs to the hangman's song *Folk Songs of the Southern Appalachians as Sung by Jean Ritchie* Jean Ritchie, 1997-03-06 This new edition has faithfully retained all seventy seven line scores of the songs and added four new ones Loving Hannah Lovin Henry Her Mantle So Green and The Reckless and Rambling Boy The original headnotes and photographs tell the history of the song as well as how it became a part of the family's life Chords are indicated for accompaniment however music notation and the printed word can present only a reasonable facsimile of any actual song
