## Abstract

The purpose of this study is to discuss the factors determining the number of foreign tourists who visit each prefecture in Japan focusing on local governments' policies that effectively promote tourism with natural and cultural resources. In analyzing this subject, this study extends the traditional Gunn's model that describes tourism attractiveness, considering the influence of the surroundings on natural parks and historical sites and spatial interactions in foreign tourism flows among prefectures. The results obtained from analyzing the panel data of 47 prefectures in Japan for the period from 2007 to 2014 with spatial econometric models show the following findings. First, there exist spatial autocorrelations in foreign tourist flows among prefectures in Japan, which suggests an effectiveness of joint promotion of tourism between prefectures. Second, the impacts of natural parks on foreign tourist flows in each prefecture are enhanced by the increase in accommodation and the restriction of infrastructure development. Third, the impacts of historical sites on the number of foreign tourists are increased by both the improvement in railway infrastructure and the increase in government expenditure for tourism. Fourth, there exist spillover effects for railway development and a reduction in criminal offences between the foreign tourist flows of each prefecture and a competitive relationship for accommodation between them.

## **Econometric Studies Of Japan:**

**Econometric Studies of Japan** Richard F. Kosobud, Ryoshin Minami, Aiko Ikee, 2014-04-03 Japanese economists began publishing scientific papers in renowned journals including *Econometrica* in the 1950s and had made their significant contributions to the sophistication of general equilibrium analysis by intensive use of a variety of mathematical instruments They had contributed significantly to the transformation of neoclassical economics This book examines how it became possible for Japanese economists to do so by shedding light on the professional discussion of the international gold standard and parity policies in the early twentieth century the acceptance of mathematical economics in the following period the impact of establishment of the Econometric Society 1930 and the swift distribution of theory oriented economics journals since 1930 This book also includes topics on the historical research of the Japanese foundations of modern economics the transformation of the economics of Keynes into Keynesian economics Japanese developments in econometrics and Martin Bronfenbrenner's visit to Japan in the post WWII period This book provides insight into the economic research done by Japanese scholars in the international context It traces how during the period 1900 1960 economics was harmonized with economics and a standard economics was re shaped on the basis of mathematics thanks to economists appetite for rigor and will help to contribute to existing literature Macroeconometric Modeling of Japan

Shinichi Ichimura, Lawrence Robert Klein, 2010 This book offers the representative macro econometric models and their applications for the Japanese economy in different development stages throughout postwar years up to the present It presents a summary of three types of macro econometric models and analyses Social accounting analyses of national income and related indices following the tradition of C Clark S Kuznets R Stone and World Bank Development Reports Inter industrial and inter regional analyses of the Japanese economy a la W Leontief and the CGE computable general equilibrium type of applications to Comprehensive Development Plans Macro econometric model building for the Japanese economy and its applications with a survey of various models in Japan including the historic Osaka University ISER Institute of Social and Economic Research model and present day Government models As many Asian economies are going through the stages of development that Japan has experienced for the past few decades to them and other developing countries this book will be extremely relevant as a reference for years to come **The Closedness of the Japanese Markets** Yoshiaki Nakamura, 1995

Econometric Analysis of Regional Economy Sachiyo Asahi, 2024-03-27 This book provides readers with an analysis of econometric methods using statistical information to examine actual aspects of Japan's regional economy Beginning with ways of ascertaining the economy of a region's production factors the book describes methods for creating new data using various regional statistical data that link regions within prefectures The topics addressed here are some of the most pressing issues in Japan's regional economy These include economic ripple effects due to social capital and public investment economic evaluation of the environment for sustainable growth the impacts of overtourism congestion

phenomenon and the measurement of the total fertility rate of female employees in industry The book provides a way to comprehend the actual conditions of Japan's regions and the level of regional economic sectoral effects and regional externalities an analytical method to obtain the information required for policy making Combining socially related fields on a wide range of issues in Japan's regional economy the detailed studies are aimed especially at researchers and policymakers working on econometric analysis research based on economic theory Japanese Studies from Pre-History to 1990 Richard Perren,1992 *Economic Development Of Japan* ,2016-07-27 In this book Ryoshin Minami studies the last hundred years of Japan's remarkable economic growth from the Meiji period up to the present day First he reveals the factors which account for Japan's successful economic take off during the Meiji period Second he explains why Japan achieved a more rapid rate of economic growth than other developed countries This forms the major part of the book and will interest those in the developed countries who have felt the full force of Japan's export drive and whose own industries are consequently in decline Finally the author evaluates the results of Japan's economic growth and makes predictions for the future The book makes a comprehensive survey of the Japanese experience in the pre and post war periods and points out lessons not only for developed countries but also for developing countries Income Distribution And Economic Growth Of Japan Under The Deflationary Economy: Theory And Evidence Based On An Econometric Analysis Osamu Nakamura,2013-03-25 The Japanese economy has experienced a structural deflationary gap since the mid 1970s Although the gap was decreasing in the bubble period the deflationary economy has become more serious since the bursting of the bubble Accordingly this book attempts to examine the causes of the Japanese deflationary economy characterized as a structural deflation and discusses how to alleviate the prolonged slowdown in order to restore Japan to a trajectory of high economic growth with a special focus on the function of income distribution In addition not only income distribution flows but also accumulation of assets and debts in the household sector are taken into account for improving the prolonged economic stagnation of Japan by employing an econometric analysis with modeling and forecasting techniques Furthermore this book makes a long term forecast of the Japanese economy up to the fiscal year 2030 with policy scenario simulations in order to capture the long term growth path of the Japanese economy and to analyze the effects of alternative policies on the economy *Japanese Economics and Economists Since 1945* Aiko Ikeo,2002-09-26 Leading Japanese scholars present an objective study of Japanese economics since 1945 based on statistical data and analysis It presents a wealth of original empirical data and a new perspective on international economic theory *Econometric Analysis of Postwar Business Cycles in Japan* ,1967 *An Economic Analysis of Korea-EU FTA and Japan-EU EPA* Masahiko Yoshii,Chae-Deug Yi,2021-02-25 This monograph compares two trade agreements among three important economic regions namely the Korea EU free trade agree FTA and the Japan EU Economic Partnership Agreement EPA The two new types of agreements came into effect in the 2010s They not only create more favorable trade and economic conditions in these regions but also produce spillover effects to bring about more

comprehensive conditions in other area First the quantitative research for both agreements using the CGE model and a tentative analysis of the Japan EU EPA in the analysis show that both have already created positive impacts on all three economies by lifting or reducing tariff and non tariff barriers Such positive impacts are also expected to be felt by SMEs in these countries that are involved Additionally the high level of tariff and non tariff liberalization in the two current agreements will make positive impacts on the negotiation of other FTAs and on WTO reform The advantages of the FTA and EPA dealt with in this book are not restricted to these economic effects As the agreements are comprehensive they will create more favorable social conditions not only in these economic regions but in other areas of Asia as well

Bank of Japan Monetary and Economic Studies, 2007 *Japan's Aid* Edward Feasel, 2014-09-19 In the twentieth century Japan emerged as one of the world's leading economic powers rising from wartime destruction to a leading economic engine in world markets Japan's economic aid policy beginning with war reparations following its defeat in World War II became a vehicle to help achieve this economic success As the country continued to flourish economic aid also became a means of expanding the country's influence in an era of increasing globalization providing an alternative strategy for helping developing nations escape the traps of poverty a strategy drawn from its own experience of reemergence And as we stand at the beginning of a new century Japanese aid policy may also serve as a potential model for other nations who are on the cusp of entering high income status and the group of elite world donors a model that in many ways lies in contrast to policies espoused by other advanced Western

nations The book *Japan's Aid* examines the strengths and weaknesses of Japanese aid policy in all of these dimensions in fostering economic growth in both its own economic success story and in the numerous countries to which it has served as the single largest bilateral donor over many years and as a policy that other nations might emulate Through a combination of insightful case studies and rigorous econometric investigation the book presents a comprehensive examination of the pros and cons of Japan's aid

*Restoring Japan's Economic Growth* Adam Simon Posen, 1998 Criticism of current Japanese macroeconomic and financial policies is so wide spread that the reasons for it are assumed to be self evident In this volume Adam Posen explains in depth why a shift in Japanese fiscal and monetary policies as well as financial reform would be in Japan's self interest He demonstrates that Japanese economic stagnation in the 1990s is the result of mistaken fiscal austerity and financial laissez faire rather than a structural decline of the Japan Model The author outlines a program for putting the country back on the path to solid economic growth primarily through permanent tax cuts and monetary stabilization and draws broader lessons from the recent Japanese policy actions that led to the country's continuing stagnation

**OECD Economic Surveys: Japan 1999** OECD, 1999-12-13 This 1999 edition of OECD's periodic review of Japan's economy examines recent economic developments policies and prospects and includes special features on the tax system and public sector reforms

*Economic Analyses Using The Overlapping Generations Model And General Equilibrium Growth Accounting For The Japanese Economy: Population, Agriculture And Economic Development* Mitoshi Yamaguchi, Tomoko Kinugasa, 2014-05-29 This unique book contains novel and in depth research regarding economic development in Japan The authors examine economic development in Japan from both theoretical and empirical perspectives Using general equilibrium growth accounting and the overlapping generations model they analyze the relationships between population agriculture and the economy The research results are unprecedented and show the effects of increased adult longevity on national savings and the effects of demographic change on the industrial structure the push pull effects of technical change in agricultural and non agricultural sectors and the positive effects of population on technical change and economic development

*Japan's Economic Recovery* Robert Mitchell Stern, 2003-05-28 The contributors to this book from the US and Japan explore the main issues involved in the international trade foreign direct investment and macro financial relations of the United States and Japan and provide guidance to policy makers for measures to help overcome Japan's economic stagnation since the early 1990s The book is divided into three parts Part I contains an empirical analysis of trade diversion under the North American Free Trade Agreement NAFTA a theoretical analysis of time in determining the structure and effects of trade with an application to Japan and an empirical analysis of Japan's changing import behavior Part II is focused on foreign direct investment FDI trade and the behavior and structure of Japanese firms Part III deals with macro financial issues of current interest and importance in Japan The analytical focus of the chapters is intended to enhance the understanding of the issues addressed and to provide some guidance to policymakers in the design of measures that will

improve economic efficiency and welfare and help to overcome the economic stagnation that Japan has experienced in the past decade or more

### **Econometric Studies Of Japan Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Econometric Studies Of Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Econometric Studies Of Japan has opened up a world of possibilities. Downloading Econometric Studies Of Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Econometric Studies Of Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Econometric Studies Of Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Econometric Studies Of Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Econometric Studies Of Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Econometric Studies Of Japan has transformed the way we access information. With the convenience, cost-effectiveness, and

accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Econometric Studies Of Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Econometric Studies Of Japan is one of the best book in our library for free trial. We provide copy of Econometric Studies Of Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Econometric Studies Of Japan. Where to download Econometric Studies Of Japan online for free? Are you looking for Econometric Studies Of Japan PDF? This is definitely going to save you time and cash in something you should think about.
