Economic And Social History Of The Netherlands 1800 1920 Demographic Economic And Social Transition:

An Economic and Social History of the Netherlands, 1800-1920 Michael Wintle, 2000-09-21 *An Economic and Social History of the Netherlands 1800 1920* provides a comprehensive account of Dutch history from the late eighteenth to the early twentieth century examining population and health the economy and socio political history The Dutch experience in this period is fascinating and instructive the country saw extremely rapid population growth awesome death rates staggering fertility some of the fastest economic growth in the world a uniquely large and efficient service sector a vast and profitable overseas empire characteristic pillarization and relative tolerance Michael Wintle also examines the lives of ordinary people what they ate how much they earned what they thought about public affairs and how they wooed and wed This book will be of central importance to Dutch specialists as well as European historians more generally *An Economic and Social History of the Netherlands, 1800-1920* Michael J. Wintle, 2000 This is a comprehensive account of Dutch history in the long nineteenth century examining population and health the economy and socio political history It is the only single authored book available on this crucial period and it will be of central importance to Dutch specialists as well as European historians more generally **An Economic and Social History of the Netherlands, 1800-1920** Michael Wintle, 2000-09-21

Provides a comprehensive account of the history of the Netherlands in the long nineteenth century **Dutch Enterprise in the 20th Century** Keetie E. Sluyterman, 2013-07-04 This is the first book to summarise the twentieth century economic history of the Netherlands from a business history perspective It has a broad historical coverage of Dutch business development including in particular the major multinationals such as Philips Shell and Unilever Although focused on Dutch business it has a strong international flavour Culture and Customs of the Netherlands John B. Roney, 2009-09-23 Delivers a fresh modern perspective on individual countries for which information is in demand in the school curriculum and library This title includes chapters that cover crucial topics as the land and history the people language food and traditional dress religion and thought social customs and lifestyle and art and architecture **Ancient Economies, Modern Methodologies** Peter Fibiger Bang, Mamoru Ikeguchi, Harmut G. Ziche, 2006 Ancient Economies Modern Methodologies is a collection of essays which focuses on the art of questioning it is about ideas and analytical experiment Ancient economic history has developed enormously since the publication of M I Finley s *The Ancient Economy* in 1973 Much new material has been brought to bear on the debate on the character of economic life in the Greek and Roman world But at the same time discussions have been going round in circles This is because not enough attention has been given to the questions ancient historians ask and the concepts with which they approach the economy In this collection an attempt is made to renew the terms of the debate by presenting a wide variety of new analytical approaches to ancient economic history ranging from literary theory cross cultural comparison statistical analysis of archaeological data to neo institutional economics and model building **Belgium, Luxembourg, and the Netherlands** Britannica Educational Publishing, 2013-06-01 Despite being

known as the Low Countries Belgium Luxembourg and the Netherlands are far from insignificant The Benelux Economic Union which sought economic integration between the three countries in fact served as the model for the European Union Additionally each of the three boasts rich histories and what they lack in size or population they make up for in thriving cultural climates This absorbing volume pays each country its due surveying the lands societies traditions and histories that have elevated the Low Countries on the world stage *Funding the Rise of Mass Schooling* Johannes Westberg,2016-11-24 This book presents expert analysis on how the remarkable rise of mass schooling was funded during the nineteenth century Based on rich source materials from rural Swedish school districts and drawing up evidence from schooling in countries including France Germany England and the U S Westberg examines the moral considerations that guided economic practices and sheds new light on how the advent of schooling did not only rest upon monies but also on grains firewood and cow fodder Exploring school districts motives and economic culture this book shows how schooling was neither primarily guided by frugal impulses nor motivated by a fear of the growing working classes Instead school spending served multiple purposes in school districts that pursued a fair and reasonable economic practice In addition to being a highly detailed case study of Sweden 1840 1900 this book also entails a broadening of the theoretical horizon of history of education into social agrarian and economic history in a wider context With a focus on different systems of school finance this work reveals a key change over time from a largely in kind system supporting schools in an early phase followed by an increasingly monetarized depersonalized and homogenized system of school finance Boasting an interdisciplinary appeal this will be a welcome contribution of interest to scholars in the fields of education history sociology and economics **Eurocentrism** Michael Wintle,2020-09-01 This book raises awareness of Eurocentrism s enormous impact and shows how over the course of five centuries Eurocentrism has extended its power across the globe In the twenty first century Eurocentrism s hegemony remains powerful By exploring a wide range of sources including Eurocentric maps and images historiography and Rudyard Kipling s White Man s Burden Wintle uncovers Eurocentrism s gradual evolution and reveals the ways in which it functions at both seen and unseen levels Taking a thematic and then empirical approach Eurocentrism offers a detailed and comprehensive discussion of Eurocentrism s problems and dangers pays special attention to the work of Samir Amin and James Blaut and applies notions garnered in the book to discuss Eurocentrism within the context of the twenty first century European Union This study questions Eurocentrism s function its history and its importance providing a fresh insight into one of the world s most complex and powerful cultural phenomena With its multi and interdisciplinary analysis this book is an indispensable tool for both scholars and students concerned with modern history politics visual culture and political geography Napoleon's Empire Ute Planert,2016-01-26 The Napoleonic Empire played a crucial role in reshaping global landscapes and in realigning international power structures on a worldwide scale When Napoleon died the map of many areas had completely changed making room for Russia s ascendancy and Britain s rise to world power *Twisted Paths*

Robert Gerwarth,2007-08-09 An introduction to European history between 1914 and 1945 this text moves beyond the view that it can only be understood in terms of catastrophe arguing that political stability and regime collapse social progress and mass poverty the crisis of European civilization and remarkable cultural achievements existed alongside each other

Going Dutch in the Modern Age John Halsey Wood,2013-04-11 In *Going Dutch in the Modern Age* John Wood examines how Abraham Kuyper adapted the Dutch church to its modern social context through a new account of the nature of the church and its social position

Bavinck James Eglinton,2020-09-29 Dutch Calvinist theologian Herman Bavinck a significant voice in the development of Protestant theology remains relevant many years after his death His four volume *Reformed Dogmatics* is one of the most important theological works of the twentieth century James Eglinton is widely considered to be at the forefront of contemporary interest in Bavinck s life and thought After spending considerable time in the Netherlands researching Bavinck Eglinton brings to light a wealth of new insights and previously unpublished documents to offer a definitive biography of this renowned Reformed thinker The book follows the course of Bavinck s life in a period of dramatic social change identifying him as an orthodox Calvinist challenged with finding his feet in late modern culture Based on extensive archival research this critical biography presents numerous significant and previously ignored or unknown aspects of Bavinck s person and life story A black and white photo insert is included This volume complements other Baker Academic offerings on Bavinck s theology and ethics which together have sold 90 000 copies

The Dutch Rediscover the Dutch-Africans (1847-1900) Andrew Burnett,2022-07-25 Were the Dutch Africans in southern Africa a brother nation to the Dutch or did they simply represent a lost colony Connecting primary sources in Dutch and Afrikaans this work tells the story of the Dutch *stamverwantschap* kinship movement between 1847 and 1900 The white Dutch Africans were imagined to be the bridgehead to a broader Dutch identity a second Netherlands in the south This study explores how the 19th century Dutch identified with and idealised a pastoral community operating within a racially segregated society on the edge of European civilisation When the *stamverwantschap* dream collided with British military and economic power the belief that race language and religion could sustain a broader Dutch identity proved to be an illusion

[The Cambridge History of Christianity: Volume 8, World Christianities C.1815-c.1914](#) Sheridan Gilley,Brian Stanley,2006 This is the first scholarly treatment of nineteenth century Christianity to discuss the subject in a global context Part I analyses the responses of Catholic and Protestant Christianity to the intellectual and social challenges presented by European modernity It gives attention to the explosion of new voluntary forms of Christianity and the expanding role of women in religious life Part II surveys the diverse and complex relationships between the churches and nationalism resulting in fundamental changes to the connections between church and state Part III examines the varied fortunes of Christianity as it expanded its historic bases in Asia and Africa established itself for the first time in Australasia and responded to the challenges and opportunities of the European colonial era Each chapter has a full bibliography providing guidance on further reading

and Muslim Immigration in an Age of Fear Matthew Kaemingk, 2018-01-25 An alternative uniquely Christian response to the growing global challenges of deep religious difference In the last fifty years millions of Muslims have migrated to Europe and North America Their arrival has ignited a series of fierce public debates on both sides of the Atlantic about religious freedom and tolerance terrorism and security gender and race and much more How can Christians best respond to this situation In this book theologian and ethicist Matthew Kaemingk offers a thought provoking Christian perspective on the growing debates over Muslim presence in the West Rejecting both fearful nationalism and romantic multiculturalism Kaemingk makes the case for a third way a Christian pluralism that is committed to both the historic Christian faith and the public rights dignity and freedom of Islam

Scotland's Populations from the 1850s to Today Michael Anderson, 2018-03-01 Scotland's Populations is a coherent and comprehensive description and analysis of the most recent 170 years of Scottish population history With its coverage of both national and local themes set in the context of changes in Scottish economy and society this study is an essential and definitive source for anyone teaching or writing on modern Scottish history sociology or geography Michael Anderson explores subjects such as population growth and decline rural settlement and depopulation and migration and emigration It sets current and recent population changes in their long term context exploring how the legacies of past demographic change have combined with a history of weak industrial investment employment insecurity deprivation and poor living conditions to produce the population profiles and changes of Scotland today While focussing on Scottish data Anderson engages in a rigorous treatment of comparisons of Scotland with its neighbours in the British Isles and elsewhere in Europe which ensures that this is more than a one country study

The Origins of the Contemporary Global Order Carl J. Strikwerda, 2025-01-17 This book offers a new interpretation of the origins of the contemporary global order the set of institutions and international practices created by the USA and its allies after the Second World War Previous interpretations have argued that the USA played the predominant role in creating the global order to fight the Cold War against the Soviet Union The author argues that a broader perspective is necessary to understand both the origins of the global order and its ongoing tensions up until today a perspective that includes the legacy of both world wars the role of imperialism and the alternative strategy of globally oriented economic blocs The cooperative tradition in the founding of the global order and the contributions of nations besides the USA provides useful insights for those interested in the current global order and the challenges it faces from Russia and China

Sport and Entrepreneurship Dilwyn Porter, Wray Vamplew, 2020-05-21 Sport and Entrepreneurship combines perspectives derived from business history and sports history focusing on the important but relatively unexplored relationship of entrepreneurship and sport This important volume offers clearer definitions of both sports products and sports entrepreneurship gives due regard to social entrepreneurs and assesses the continuing relevance of Hardy's pioneering study from the 1980s Hardy himself provides an introduction to the volume and chapters by Wray Vamplew and Dilwyn Porter supply an overarching theoretical framework offering new ways of identifying and describing

sports related entrepreneurial activity Each chapter explores a particular case study focusing on specific examples of entrepreneurship as it has been practised in a variety of sporting contexts from the nineteenth to the early twenty first centuries ranging from 19th century equestrianism to 20th century ice hockey and football in the 21st century and covering entrepreneurship in North America Europe and the United Kingdom Each in its own way adds depth and complexity to the discussion Bridging the gap between sports history and business history too often seen as separate spheres Sport and Entrepreneurship will be of great interest to scholars of sport history business and sport business history and entrepreneurship The chapters were originally published as a special issue of The International Journal of the History of Sport
