Agriculture, Poverty and Reform in Iran (RLE Iran D) Mohammad Amad, 2012-04-27 As in many developing countries the prospects for land reform in Iran

seemed promising It was expected to improve rural poverty and stimulate agricultural development by replacing the traditional landlord peasant system with more peasant biased modern farming This book assesses the economic

consequences of land reform focusing particularly on its effect on the living standards of the rural poor Amid describes a bimodal system of large and small farms that emerged after the reform Large farms with government support modernized and grew more profitable cash crops whereas small farms found difficulty in obtaining credit and continued to rely on traditional techniques and staple food crops Land reform was not the author argues a success for the majority of the Iranian rural population who experienced virtually no improvement in living standards and a growth of rural inequality as a result

Handbook of Agricultural Economics Robert E. Evenson, Prabhu Pingali, 2007-06-28 Volume 3 of this series of the Handbooks in Economics follows on from the previous two volumes by focusing on the fundamental concepts of agricultural economics The first part of the volume examines the developments in human resources and technology mastery The second part follows on by considering the processes and impact of invention and innovation in this field The effects of market forces are examined in the third part and the volume concludes by analysing the economics of our changing natural resources including the past effects of climate change Overall this volume forms a comprehensive and accessible survey of the field of agricultural economics and is recommended reading for anyone with an interest either academic or professional in this area Part of the renowned Handbooks in Economics series Contributors are leaders of their areas International in scope and comprehensive in coverage
