Economic Reform in China and India C. H. Chai,K. C. Roy,2006-01-01 The authors have produced an outstanding book on economic reforms in China and India This book is a wealth of information on this crucial issue thus filling this important gap in the literature on economic reform and also adding more knowledge to the literature on the history of economic development processes in China and India this book will be of interest to both scholars of the economic reforms and those more generally interested in the social political changes occurring there Tulus Tambunan Journal of Asian Business Economists Chai and Roy have produced a well written properly documented study of the comparative development of India and China over the last 50 years The book will be useful to graduate students in Asian studies and economic development Policy makers in other developing countries can also benefit from this account of the experiences of two major emerging economies under different economic and political systems Recommended Graduate research and professional collections J S Uppal Choice Recent acceleration of the Indian economic growth rate from 6 to 8 per cent has sparked worldwide speculation that India is about to catch up with China and become another Asian miracle economy Economic Reform in China and India examines this prospect reviewing the development strategies pursued by the two countries over the last 50 years in general and exploring recently introduced reform measures in particular The culmination of many years of research by specialists in these economies this book assesses the performance of China and India at both macro and sectoral levels including economic social political and environmental aspects It illustrates the reasons why China has outperformed India in the past and identifies the obstacles that India will face in its attempts to catch up with China Providing solutions for China and India that can be applied to other developing countries this book will be invaluable for researchers academics and students focussing on economic development and Asian studies It will also receive much attention from investors and government analysts interested in the strategic implications of the emergence of the two Asian economic giants

Economic Reforms in India Menjor Singh,2002-04 **Economic Reform and Dvelopment** K. S. Dhindsa,Anju Sharma,2005 Papers presented at the Seminar Emerging Trends in Indian Economy held at Amritsar during 28 29 March 1997 and Seminar Economic Reforms in India held at Jalandhar during 3 4 April 1998 *ECONOMIC REFORMS IN ANDHRA PRADESH* Dr B. Sarangapani,2006-02-01 The development experience of Andhra Pradesh will make a very useful case study in the context of globalization as it launched many initiatives as part of the structural adjustment programme SAP through World Bank assistance covering important sectors like power education irrigation and governance It is probably the only state that had formulated a Vision Document to achieve an overall growth rate of 15 percent by 2020 with a massive

investment of 30 000 crores basically to provide people opportunities both social and economic to achieve prosperity and wellbeing and enjoy a high quality of life An intense scrutiny of these initiatives would be extremely critical for the national economy aside being useful to other States All this has assumed significance in the context of adopting second generation reforms involving many aspects in the State list The present volume offers valuable insights about the reform process and experience of Andhra Pradesh
