Economics And Politics In The Ussr Problems Of Interdependence

Hans-Hermann Hohmann

Economics And Politics In The Ussr Problems Of Interdependence:

Economics And Politics In The USSR Hans-Hermann Hohmann, 2019-03-05 Soviet scholars have apparently stayed clear of meaningful analysis of such touchy subjects as interdependence and conflict in the relationship between economics and politics. Very little has been published on this issue, no surprise in a system that controls centrally both politics and the economy with an emphasis on rapid economic development. The absence of meaningful Soviet research led the Federal Institute for East European and International Studies in Cologne to sponsor an international interdisciplinary conference on the subject. Contributions to the resulting book cover three main areas. The first includes the impact of traditional Russian political culture on contemporary Soviet economic thinking and behavior, the rank of economic aims in the priority system of Soviet politics, and the function of economic institutions in the implementation of political aims. The second concerns the role of political lobbies in the economy and repercussions of economic change for Soviet politics. Foreign economic relations and the USSR's foreign policy make up the third area. The concluding discussion reviews the state of international research and identifies areas for future study.

Soviet Politics Richard Sakwa, 2012-11-12 *Soviet Politics in Perspective* is a new edition of Richard Sakwa's successful textbook *Soviet Politics: an introduction*. Thoroughly revised and updated, it builds on the previous editions' comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991. The book is divided into five parts which focus on key aspects of Soviet politics. They are: historical perspectives beginning with the Tsarist regime on the eve of Revolution; the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors; and Gorbachev's attempts to revive the system's institutions of Government, such as the Communist Party, security apparatus, the military, the justice system, local government, and participation. Theoretical approaches to Soviet politics, including class and gender politics, the role of ideology, and the shift from dissent to pluralism. Key policy areas: the command economy and reform; nationality politics; and foreign and defence policy. An evaluation of Soviet rule and reasons for its collapse. Providing key texts and bibliographies, this book offers the complete history and politics of the Soviet period in a single volume. It will be indispensable to students of Soviet and post-Soviet politics, as well as the interested general reader.

The Struggle to Save the Soviet Economy Chris Miller, 2016-10-13 For half a century the Soviet economy was inefficient but stable. In the late 1980s, to the surprise of nearly everyone, it suddenly collapsed. Why did this happen? And what role did Soviet leader Mikhail Gorbachev's economic reforms play in the country's dissolution? In this groundbreaking study, Chris Miller shows that Gorbachev and his allies tried to learn from the great success story of transitions from socialism to capitalism: Deng Xiaoping's China. Why then were efforts to revitalize Soviet socialism so much less successful than in China? Making use of never before studied documents from the Soviet Politburo and other archives, Miller argues that the difference between the Soviet Union and China, and the ultimate cause of the Soviet collapse, was not economics but politics. The Soviet government was divided by bitter conflict, and Gorbachev, the ostensible Soviet autocrat,

was unable to outmaneuver the interest groups that were threatened by his economic reforms Miller's analysis settles long standing debates about the politics and economics of perestroika transforming our understanding of the causes of the Soviet Union's rapid demise *The Disintegration of the Soviet Economic System* Michael Ellman, Vladimir Kontorovich, 2023-06-14

The Disintegration of the Soviet Economic System 1992 examines in detail the collapse of the Soviet economic system and is set in its political context both international and domestic The collapse is looked at from a macroeconomic point of view both real and financial as well as from a mesoeconomic viewpoint with chapters on such important sectors such as agriculture and the railways Because the USSR is such a large country it is also looked at in a regional perspective with chapters on Central Asia and the allocation of investment between republics and attention is also paid to the welfare of the population their health and the development of their consumption and the environment and technical progress **Economic Reforms in the Socialist World** Stanislaw, etc, Gomulka, 2016-07-22 First Published in 1990 Socialist countries now account for about a quarter of the world economy about a third of the world population and about half the world military power What happens in those countries is therefore par excellence of importance to all of us This book is an outcome of a Conference on Economic Systems and Reforms in a Changing World held in Seoul in September 1987 The Conference was significant in several respects Foremost was the fact that this was probably the first such meeting of scholars from both socialist and non socialist countries held to discuss socialist economic reforms worldwide *The Soviet Economy on the Brink of Reform* Peter Wiles, 2023-06-14

The Soviet Economy on the Brink of Reform 1988 is a collection of essays in honour of Alec Nove and covers such topics as Leon Trotsky Navrozov Soviet Investment criteria Soviet Agricultural and economic politics under Andropov and Chernenko **Soviet Constitutional Crisis** Robert S. Sharlet, 1992 Moving from the adoption of the post Stalin Constitution of 1977 through its subsequent implementation under Brezhnev Andropov and Chernenko to the radical legal restructuring of the Gorbachev years Robert Sharlet traces the gradual evolution of a nascent constitutionalism in the erstwhile USSR Sharlet a noted authority on Soviet law and constitutional development demonstrates the gradual transformation of law from an instrument of Communist Party rule into the new rules of the game for nonauthoritarian political development In effect he argues one of Gorbachev's most durable achievements may be his redefinition of Soviet politics into a legal idiom along with his relocation of policymaking from behind the closed doors of Party conclaves into the more open emergent arena of constitutional government In analyzing the politics of law from the Brezhnev era to the rise of Yeltsin the author takes account of the war of laws the symbolic uses of the Soviet constitution and even the fact that the leaders of the failed coup attempted to justify their seizure of power on constitutional grounds Constitutionalism has sufficiently suffused Soviet public life the book concludes that most of the sovereign republics as successors to the former USSR have begun designing their futures to varying degrees in constitutional forms **Economic Reforms in the Socialist World** Stanislaw Gomulka, Yong-Chool Ha, Se-wŏn Kim, First Published in 1990 Routledge is an imprint of Taylor

Francis an Informa company **Comecon** J. J. Brine,1992 Comecon or the Council for Mutual Economic Assistance was founded by Joseph Stalin in 1949 to counteract the Marshall Plan and reinforce the bonds between the Soviet Union and the people's democracies of Eastern Europe Other Soviet Bloc nations later joined Comecon and for forty years it dominated the trade policies of the Soviet Bloc and profoundly influenced their domestic economic development and relations with the West Comecon collapsed in 1991 after the countries of Eastern Europe rejected communism It was often compared with the West European Common Market but differed vastly in its aims structure powers and activities Its influence is a critical factor in assessing both the economic failures of the Soviet Bloc and the problems facing former member states as they make the transition to free market economies This detailed annotated bibliography is an essential guide to the extensive English language literature about Comecon from its founding until its demise Chapters cover Comecon's history structure and law socialist economic integration the organization's arrangements for international trade and finance environment natural resources and energy labor industry and agriculture science and technology Comecon like the rest of the Soviet Bloc collapsed suddenly but its legacy will color international relations and worldwide economic issues for years to come An understanding of its institutions mechanisms and policies remains vital in appreciating the economic organization of the former Soviet empire This bibliography will therefore be indispensable to policymakers economists historians and political scientists

Limits of Soviet Power Edward A. Kolodziej,Roger E. Kanet,2015-12-25 An evaluation of Soviet efforts to penetrate the major regions in the southern hemisphere concluding that success has been modest and continues to be costly It is suggested that a world society could emerge based on socio economic and political competition rather than conflict and arms races

Gorbachev's Economic Plans ,1987 **The End of the Cold War and the Causes of Soviet Collapse** N. Bisley,2004-04-30 Soviet efforts to end the Cold War were intended to help revitalize the USSR Instead Nick Bisley argues they contributed crucially to its collapse Using historical sociological theory *The End of the Cold War and the Causes of Soviet Collapse* shows that international confrontation had been an important element of Soviet rule and that the retreat from this confrontational posture weakened institutional functional aspects of the state This played a vital role in making the USSR vulnerable to the forces of economic crisis elite fragmentation and nationalism which ultimately caused its collapse

The End of the Cold War David Armstrong,Erik Goldstein,2013-11-05 Giving an overview of the origins and history of the Cold War this work considers whether the Cold War is truly over and what the effects have been on Europe and the former Soviet Union as well as US foreign policy

Moscow And The Polish Crisis Sidney I. Ploss,2019-03-06 During the Polish crisis of 1980 1981 the Western world was uncertain of the Soviet response to turmoil in Poland and speculation about an invasion was rife The timing of the Polish declaration of martial law came without forewarning to the United States according to then Secretary of State Alexander M Haig Jr In retrospect Dr Ploss points

Klaus von Beyme Klaus Beyme,2013-11-01 Klaus von Beyme a highly distinguished German political scientist has been recognised as a Pioneer in the Study of Political

Theory and Comparative Politics When he received the highly esteemed Mattei Dogan Award during the XXII World Congress of Political Science in Madrid on 12 July 2012 in his laudatio Rainer Eisfeld portrayed Klaus v Beyme as a Global Scholar and Public Intellectual On the occasion of Klaus v Beyme s 80th birthday this book offers a selection of his major previously published and new texts focusing on Empirical Political Theory The Evolution of Comparative Politics Revival of Normative Political Theory in Empirical Research Theodor W Adorno Political Theory as Theory of Aesthetics Historical Forerunners of Policy Studies Political Institutions Old and New Representative Democracy and the Populist Temptation Political Advisors to Politicians and on The Concept of Political Class A New Dimension of Research on Elites **Federalism And Nationalism**

Gregory Gleason,2019-04-12 This book explores the causes of the unrest and speculates on the possible future direction of national movements It seeks to answer What are the implications of socialist federalism for political development within the USSR The Economics of the Global Defence Industry Keith Hartley,Jean Belin,2019-11-08 This book makes an original contribution to our knowledge of the world s major defence industries Experts from a wide range of different countries from the major economies of North America and Western Europe to developing economies and some unique cases such as China India Singapore South Africa and North Korea describe and analyse the structure conduct and performance of the defence industry in that country Each chapter opens with statistics on a key nation s defence spending its spending on defence R D and on procurement over the period 1980 to 2017 allowing for an analysis of industry changes following the end of the Cold War After the facts of each industry the authors describe and analyse the structure conduct and performance of the industry The analysis of structure includes discussions of entry conditions domestic monopoly oligopoly structures and opportunities for competition The section on conduct analyses price non price competition including private and state funded R D and performance incorporates profitability imports and exports together with spin offs and technical progress The conclusion explores the future prospects for each nation s defence industry Do defence industries have a future What might the future defence firm and industry look like in 50 years time This volume is a vital resource and reference for anyone interested in defence economics industrial economics international relations strategic studies and public procurement **Soviet Social**

Reality in the Mirror of Glasnost Jim Riordan,1992-08-25 Soviet and Western sociologists come together in this book to present results of recent sociological surveys and to analyse important social issues against the background of the revelations of the late 1980s and early 1990s The book spans six major issues the family and women social care young people deviance including prostitution leisure and privilege including the black market **Power and Politics in the Soviet**

Union Leo Cooper,1992-06-18 Analyzes the nature of power in the USSR and its evolution since the Bolshevik Revolution The main thrust of this work however is in tracing the fragmentation of power since Gorbachev introduced his reforms and examining the changes in the power structure as a result of perestroika **The Second Economy in the USSR and**

Eastern Europe Gregory Grossman,1990

Economics And Politics In The Ussr Problems Of Interdependence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economics And Politics In The Ussr Problems Of Interdependence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economics And Politics In The Ussr Problems Of Interdependence has opened up a world of possibilities. Downloading Economics And Politics In The Ussr Problems Of Interdependence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economics And Politics In The Ussr Problems Of Interdependence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economics And Politics In The Ussr Problems Of Interdependence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economics And Politics In The Ussr Problems Of Interdependence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Economics And Politics In The Ussr Problems Of Interdependence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economics And Politics In The Ussr Problems Of Interdependence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Economics And Politics In The Ussr Problems Of Interdependence Books

1. Where can I buy Economics And Politics In The Ussr Problems Of Interdependence books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
