Marangos,2013-05-08 Consistency and Viability of Capitalist Economic Systems develops an original analytical framework to understand the relationship between the economic political and ideological structures the external environment and the process of reform that give rise to certain economic systems by establishing consistency *Journal of Economic Literature* ,2001 *United States Postal Service Reform* United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Post Office and Civil Service,1996 *Economic Policy Reforms 2011 Going for Growth* OECD,2011-04-07 Going for Growth 2011 highlights the structural reforms needed to restore long term growth in the wake of the crisis For each OECD country and for the first time six key emerging economies Brazil China India Indonesia Russia and South Africa five reform priorities are identified *Government Economy and Spending Reform Act of 1976* United States. Congress. Senate. Committee on Government Operations. Subcommittee on Intergovernmental Relations,1976 Services of General Economic Interest in EU Competition Law Lei Zhu,2020-05-08 This book provides a comprehensive examination of the interaction between Services of General Economic Interest SGEI and EU competition law covering in particular Article 106 of the Treaty on the Functioning of the European Union TFEU and state aid rules It also takes the telecommunications postal service and transport sectors as case studies taking into account the technological economic and political backgrounds to these sectors The area of SGEI has undergone fundamental developments over the past three decades and the most recent changes in the Lisbon Treaty recognizing SGEI as a shared value and granting explicit competence to the EU mark its constitutional significance The key issue is how to balance economic values underlying competitive markets and non economic public service values such as universal access to essential services The essence of the question is the relationship between the market and the state This controversial issue is addressed through a critical analysis of a number of landmark EU Court judgments and Commission decisions over the decades Offering a clear appreciation of the evolution of the EU regulatory framework on SGEI that lays out the limits and boundaries within which the Member States define organize and fund SGEI the book is particularly aimed at academics with a research interest in the interaction between public services and EU competition law but as it also demonstrates clearly how the application of EU competition law has transformed the public utilities sectors it will be of interest to law makers legal professionals and policy makers as well Dr Lei Zhu is a Research Associate at the Institute of International Law at Wuhan University in Wuhan China He studied at the Institute for Competition Procurement Studies of the Bangor University Law School in Wales United Kingdom where he obtained his PhD in law in 2015 *Hearings* United States.
