Marriage Unions Venice Window Prostitution      **The Politics of Sex, Race and Working-Class Slang in Late Second Empire French Caricature** Russell Stephens, 2025-08-11 This study examines caricatures as they appeared within popular Parisian magazines in mid 19th century France at the time of the 1867 World's Fair. Chapters compare the comic mockery of several of the most important satirists of this time including Amédée de Noailles and Honoré Daumier 1808-1879. A major theme within the analysis is how these caricaturists secretly used argot street slang as documented in two slang dictionaries by Parisian litterateur Alfred Delvau 1825-1867 within their comic images to carry hidden encrypted messages in order to evade the censorship of the day. The book focuses primarily on caricatures of Chinese visitors who were part of the 1866 diplomatic visit to Paris and images of Chinese at the 1867 Exposition Universelle showing how the satires which were published by Cham used argot to create highly sexualised images that were often racist in nature. In contrast the volume proposes that Daumier used slang in his caricatures to challenge racism and to make secret reference to current political leaders and politics. The book will be of interest to scholars working in art history visual culture media studies and communication studies      Lustful Appetites Rachel Hope Cleves, 2024-11-18 We take the edible trappings of flirtation for granted chocolate covered strawberries and romance oysters on the half shell and desire the eggplant emoji and a suggestive wink. But why does it feel so natural for us to link food and sexual pleasure? Rachel Hope Cleves explores the long association between indulging in good food and an appetite for naughty sex from the development of the Parisian restaurant as a place for men to meet with prostitutes and mistresses to the role of sexual outlaws like bohemians, new women, lesbians and gay men in creating epicurean culture in Britain and the United States. Taking readers on a gastronomic journey from Paris and London to New York, Chicago and San Francisco, *Lustful Appetites* reveals how this preoccupation changed the ways we eat and the ways we are intimate while also creating stigmas that persist well into our own twenty-first century      **Grandes Horizontales** Virginia Rounding, 2004      **French Trysts** Kirsten Lobe, 2025-06-25 Somewhere between dating and eternal bliss lies a secret world of glamour, opulence, decadence and the real amorous adventures of the haut monde. Paris is a sexy, sinful, romantic playground and what could be more thrilling than to be an American girl let loose in the City of Lights? Alexandra Ward is a Sorbonne student with a fabulous French boyfriend who's just gone AWOL and a growing love affair with all things Parisian. She realizes her new life à la Française feels entirely like play-acting in a good way. But what happens when a playful flirtation with the CEO of an international luxury conglomerate turns into not just a déjeuner lunch at the Ritz but diving for canary diamonds in the famous swimming pool of the Hotel Ritz? And when that same Master of the Monde who just happens to be married bien sûr asks Alexandra to be something more than a date but something well different than a girlfriend? *French Trysts* is about slipping into a new life like it's a couture suit about the thrill of seeing what really goes on behind the gated Hotel Particuliers of the rich and famous Bon Ton de Paris about the power of sex and the redemption of true romance. Praise for Kirsten Lobe's Paris Hangover: A witty mousse. Jacquelyn Mitchard, author

**Sex**

**Work, Text Work** Jessica Tanner, 2023-05-15 Though male French authors plotted prostitution to make their names mimicking the surveillance of municipal authorities the sex workers in their books manage to evade efforts to contain them While prostitutes in nineteenth century Paris were subject to municipal laws that policed their bodies and movements writers of the era enlisted them to stake their own claims on both the city and the novel as literary territory **Sex Work Text Work Mapping Prostitution in the Nineteenth Century French Novel** explores how prostitutes depicted by mile Zola Joris Karl Huysmans Edmond de Goncourt Adolphe Tabarant and Charles Louis Philippe write back confounding civil and literary efforts to contain them in space and in narrative In city regulated brothels brasseries femmes Haussmannian boulevards and the novel itself working class prostitutes served to reinforce the boundaries of social inclusion and exclusion And yet Jessica Tanner contends even the novels that most explicitly aligned with the disciplinary logic of regulated prostitution make space for a distinctly literary form of resistance these women elude or disrupt the mapping that would claim them as literary territory revealing their authors failure to secure their narratives as property Tanner pushes back against the critical tendency to attribute agency only to courtesans who became published authors and forwards a new framework for understanding the political work novels engage in as they circulate Observing that debates about the regulation of prostitution surfaced in tandem with racialized anxieties about the boundaries of the French nation Tanner ultimately expands that framework to the history of French colonialism and the politics of immigration in the current day This book shows that while sex workers have been recruited to mark the borders of civic and moral life prostitution can also make space for more inclusive forms of community both in the novel and in the world beyond its bounds
