or am writing for I hope to finish it to day such a very fine new and grotesque idea has opened upon me that I begin to doubt whether I had not better cancel the little paper and reserve the notion for a new book You shall judge as soon as I get it printed But it so opens out before me that I can see the whole of a serial revolving on it in a most singular and comic manner This grotesque idea was doubtless the relation established between Pip and Magwitch which might easily have been narrated in a few charming pages such as those in which he had disposed of the genus of many other romances in the series of essays sketches and portraitures of life which he was then writing under the general title of The Uncommercial Traveller But the idea of an innocent boy establishing unconsciously an immense influence over the mind of a hunted felon simply by giving him that assistance which he dared not refuse haunted Dickens's imagination until he gathered round it a whole new world of characters and About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
