Crowder, 2013-08-30 The Three Miraculous Prayers of King Hezekiah tells the story of the good Jewish King Hezekiah who lived ruled struggled prayed and saw incredible miracles 2700 years ago King Hezekiah was a man desperate for Gods help in ways that we can all relate to today While you may not be a king with all the benefits and troubles it brings you probably have people who depend on you for guidance and protection In todays world you may find yourself unemployed seriously ill alone and facing great adversity or dealing with all kinds of other troubles that seem way too big to handle on your own In *The Three Miraculous Prayers of King Hezekiah* author W D Crowder shares the story of King Hezekiah to illustrate how we can overcome odds that sometimes seem insurmountable in order to survive troubling times Crowder explores how a seemingly obscure Jewish King of the tiny southern Israeli Kingdom of Judah dealt with and miraculously overcame many of the same issues that personally impact you today The example of this good man King Hezekiah may astonish you *The Three Miraculous Prayers of King Hezekiah* tells a fascinating true story supported by the Bible and other historical records and addresses problems that are relevant to us today in these troubling times

*The King's Champion* Kerridwen Mangala McNamara, 2024-01-01 You will have no firstborn to rule after you She will never conceive your firstborn or at least not first The last words of the Evil Wizard Lord Prydeen have hung over King Damien and Queen Genevieve for five years Five years wherein Damien has sought to rebuild the Realm inspiring and requiring a return to honor and noblesse oblige among his corrupt and canny noble class Five years whence Genevieve has restored three of the Five Lost Provinces to Ilseador s banner negotiating by dint of the army at her back and her own formidable reputation as a warrior Five years and ten heartbreaking miscarriages And then Prydeen had added those other words that either allow for a kernel of hope or are the grindstone with which to destroy King Damien s hopeful new reign You have a Champion of a problem young king

*Chronicle of King Pedro Volumes 1 - 3* Peter Such, 2020-05-28 Sold as a multi volume set the individual volumes are not available for purchase Pero Lopez de Ayala s *Chronicle of King Pedro* provides a compelling and richly informative account of the turbulent reign of the notorious but enigmatic fourteenth century Castilian monarch who came to be known as Pedro el Cruel It is a vitally important source for our understanding of the history of the Iberian Peninsula during this critical period in its development and of the complex social and political divisions by which the Spanish kingdoms were torn This three volume *Chronicle* gives us a gripping and wide ranging picture of a period characterized by harsh brutality conflict and betrayal but at the same time by the ideals of chivalry memorably personified in figures such as the Black Prince and Bertrand du Guesclin At its centre is the chilling portrait of King Pedro a brilliantly constructed image of self destructive evil

The translation is accompanied by a Spanish text taken from Germ n Orduna s groundbreaking edition and by detailed notes The introduction explores the background to the Chronicle s composition and sets L pez de Ayala s account against a broad canvas of events in the Spanish kingdoms and beyond It examines how the chronicler s subtle artistry was used to create a picture of a deeply flawed monarch which has continued to exercise a profound fascination over the centuries
