Grandmother Earth 2000:

Perceptions of Native Americans Mark Alan Bellcourt, 2005 In noticing the ecological significance of indigenous traditions Bellcourt considers how the indigenous wisdom of Native Americans can be better integrated into Western perspectives on ecology and science Because indigenous traditions cannot be studied by a merely quantitative analysis this study takes a qualitative approach to the integration of Native American and Western knowledge by reflecting on Native American worldviews as they are expressed in interviews and statements or observations made by the Native Americans themselves

Pilgrimage to Broken Mountain Alan R. Sandstrom, Pamela Effrein Sandstrom, 2023-01-20 An ethnographic study based on decades of field research Pilgrimage to Broken Mountain explores five sacred journeys to the peaks of venerated mountains undertaken by Nahua people living in northern Veracruz Mexico Punctuated with elaborate ritual offerings dedicated to the forces responsible for rain seeds crop fertility and the well being of all people these pilgrimages are the highest and most elaborate form of Nahua devotion and reveal a sophisticated religious philosophy that places human beings in intimate contact with what Westerners call the forces of nature Alan and Pamela Sandstrom document them for the younger Nahua generation who live in a world where many are lured away from

their communities by wage labor in urban Mexico and the United States Pilgrimage to Broken Mountain contains richly detailed descriptions and analyses of ritual procedures as well as translations from the Nahuatl of core myths chants performed before decorated altars and statements from participants Particular emphasis is placed on analyzing the role of sacred paper figures that are produced by the thousands for each pilgrimage The work contains drawings of these cuttings of spirit entities along with hundreds of color photographs illustrating how they are used throughout the pilgrimages The analysis reveals the monist philosophy that underlies Nahua religious practice in which altars dancing chanting and the paper figures themselves provide direct access to the sacred In the context of their pilgrimage traditions the ritual practices of Nahua religion show one way that people interact effectively with the forces responsible for not only their own prosperity but also the very survival of humanity A magnum opus with respect to Nahua religion and religious practice Pilgrimage to Broken Mountain is a significant contribution to several fields including but not limited to anthropology Indigenous literatures of Mesoamerica Nahuatl studies Latinx and Chicanx studies and religious studies

The Earth's Blanket Nancy J. Turner, 2008-09-01 Renowned ethnobotanist Nancy Turner brings together decades of experience working with First Nations in the Pacific Northwest In The Earth's Blanket she explores the wealth of ecological knowledge and the deep personal connection to the land and its history that is encoded in indigenous stories and lifeways and asks what they can teach all of us about living in harmony with our surroundings Scholarly in its thinking but accessible in its writing The Earth's Blanket combines first person research with insightful critiques of Western concepts of environmental management and scientific ecology to propose how systems of traditional ecological knowledge can be recognized and enhanced It is an important book a magnum opus with the power to transform our way of thinking about the Earth and our place within it

A Grandmother's Journal Bonnie Brooks, 2021-10-22 Through an accumulation of circumstances God led the author Bonnie Brooks to trek through the Gospel of Luke breaking up fallow ground shovel in hand relishing the views amazing vistas and journaling phrases Born out of an encounter with the Almighty A Grandmother's Journal is written for the purpose of passing on a spiritual legacy to the next generation The Journal chronicles a daily spiritual expedition into the earthly life of Jesus as viewed through the eyes of the beloved physician Luke Together with Brooks stroll the dusty roads of Israel feel the breeze and splashes of water as you sail on the Sea of Galilee in a first century boat while encountering a storm celebrate miracles Jesus performed no one imagined possible and kneel at the cross on

Golgotha as the sky darkens and the ground quakes Come alone or better yet invite others to share the journey with you A Grandmother's Journal explores the deeper layers of Luke's Gospel the longest Gospel of the Bible and the most comprehensive of the three other Gospels As Brooks portrays various scenes in her entries you are urged to recall people events and spiritual markers from your own story your legacy in order to pass them onto the next generation From her heart to yours Grandmother's Adventures Nellie Reynolds,2008-04 The story of one Grandmother and her two Grandsons as they visit the tundra and see the polar bears and go dog sledding The two mother in laws flying to the northwest with their son and daughter International Who's Who in Poetry 2005 Europa Publications,2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King's Queen's Gold medal and other poetry prizes *Being Scioto Hopewell: Ritual Drama and Personhood in Cross-Cultural Perspective* Christopher Carr,2022-01-05 This book in two volumes breathes fresh air empirically methodologically and theoretically into understanding the rich ceremonial lives the philosophical religious knowledge and the impressive material feats and labor organization that distinguish Hopewell Indians of central Ohio and neighboring regions during the first centuries CE The first volume defines cross culturally for the first time the ritual drama as a genre of social performance It reconstructs and compares parts of 14 such dramas that Hopewellian and other Woodland period peoples performed in their ceremonial centers to help the soul like essences of their deceased make the journey to an afterlife The second volume builds and critiques ten formal cross cultural models of personhood and the self and infers the nature of Scioto Hopewell people's ontology Two facets of their ontology are found to have been instrumental in their creating the intercommunity alliances and cooperation and gathering the labor required to construct their huge multicomunity ceremonial centers a relational collective concept of the self defined by the ethical quality of the relationships one has with other beings and a concept of multiple soul like essences that compose a human being and can be harnessed strategically to create familial like ethical bonds of cooperation among individuals and communities The archaeological reconstructions of Hopewellian ritual dramas and concepts of personhood and the self and of Hopewell people's strategic uses of these are informed by three large surveys of historic Woodland and Plains Indians narratives ideas and rites about journeys to afterlives the creatures who inhabit the cosmos and the nature and functions of soul like essences coupled with rich contextual archaeological and bioarchaeological taphonomic analyses The

bioarchaeological taphonomic method of l anthropologie de terrain new to North American archaeology is introduced and applied In all the research in this book vitalizes a vision of an anthropology committed to native logic and motivation and skeptical of the imposition of Western world views and categories onto native peoples Germantown during the Civil War Era George C. Browder,2024-07-19 Germantown during the Civil War Era recounts the rise and fall of a nineteenth century Tennessee town a community that was not a typical antebellum town in the cotton belt It s a case study in how social economic and political changes affected them Black and White Before the Civil War Germantown had become a thriving cultural commercial and political center Its elite and middle class White families had full access to the cultural and social life of Memphis as well as local private academies and collegiate institutions that hosted enriching events Its appealing inns taverns and mineral springs allowed for festive social mixing of all classes As an emerging industrial and commercial center of a rich cotton growing district in the 1850s Germantown s decline after the war would have been unimaginable before the war Thus this monograph paints a picture of a vibrant community whose brilliancy was extinguished and almost entirely forgotten Yet Germantown s economic and political decline caused by a number of factors is not the most interesting part of its story Meticulously documented and richly illustrated with maps and data this book reveals the impacts of surviving a theater of guerrilla war of emancipation of social and political Reconstruction and a disastrous Yellow Fever epidemic on all of Germantown s people psychologically socially and culturally The damage struck far deeper than economic destruction and loss of life A peaceful and harmonious society crumbled Germantown during the Civil War Era is sure to be of interest not just to Shelby County residents or students of the Civil War but also to anyone interested in the racial and social history of the Volunteer state **Earth Songs** K.
