Creativity Unwrapped is for the artists and healing artists among us who have actually finished something or come close to it and then put it away unobserved It is for those of us whose first really big canvas is rolled up under the bed Those of us whose illustrated memoir of their experience of surviving breast cancer and how it drew their family together is sitting beautifully tied up with ribbon on the shelf Those of us whose CD well mastered and studio quality sits in a box of a hundred in the garage Those of us whose gorgeous head shots are in the linen cupboard behind the guest towels somewhere The Artists in Waiting Creativity Unwrapped Leads artists to understand the psychological strengths they already possess for promoting their creativity and where they might need some help Guides artists into a closer relationship with their audience in ways that will make their work more responsive without sacrificing creativity and innovation Helps artists to discover their innate entrepreneurial abilities and use them to show their work Teaches artists how to befriend a calculator to build a creative business plan to price their work to design an idea that is inspiring and efficient Life Aboard the Monkey Bus James E. Martin, 2006-10 Stories from author s life of growing up in West Virginia and Armys service during World War II

The Chartreuse Mongoose James E. Martin, 2008-04 The Chartreuse Mongoose and 36 more wonderful stories from the pen of Grandpa Ed These stories were written to support innocence and excite childhood imagination and fantasies about animals birds folklore and nature Most importantly they are intended to encourage the joy of reading They explicitly avoid the present day trend of filling children s books with endless colored illustrations and one page sentences that entertain a child but fail to teach them to read It is also the author s hope that his stories will contain enough intrigue to encourage parent s to return to the time honored tradition of reading to their children especially at bedtime **Feet** James E.
