

Grandpa's Gone To Heaven

One quiet day the angels came
And took grandpa far away
But in the stillness of the night
I could almost hear him say

"Dear grandchild, I will miss you
You mean so much to me
But Jesus called me to His side
In heaven I will be

A place of God's great beauty
No tears or earthly cares
Only peace and joy forever
And love beyond compare

So remember all the good times
Don't think about the sad
Treasure all the special moments
Through the years we've always had

And if you trust in Jesus
I can promise this and more
You will get a hug from grandpa
Someday on Heaven's golden shore"

Dr. Donald Huard

Grandpa Is There A Heaven:

Grandpa is There a Heaven? Katherine Bohlmann, 2001 PICTURE BOOKS Written in easy to read sensitive verse this scripture based book answers difficult questions about the death of loved ones **The Grandpa's Manual** David Sutton, D-Min, I. Blake McKinley, DDS, 2022-01-31 Being a Grandpa does not come with a book of instructions Every Grandpa is as unique as a fingerprint and each relationship with his grandkids usually molds itself into a customized experience of mutual advice wisdom and suggestions Sometimes you just get crazy with each other The Grandpa s Manual is not a how to book It is a collection of stories encouraging men to become whatever kind of Grandpa they desire to be It is written so the reader can pause put it down and say Hmm I never thought of that Building a relationship with your grandkids is important business So when grandkids look to Grandpa for advice and wisdom they can see that Grandpas have grandkid challenges in the relationship too Take for instance when your grandkid suffers a breakup with his first true love and concludes he cannot share his broken heart with Mom Dad or his little sister Mom is a girl Dad sometimes does not take it really seriously And little sister may know his true love and nothing will ever be sacred again Who may be the one who will listen not judge and help soothe that broken spirit It may be Grandpa Grandpa has probably been in the same situation and knows how to stitch up the wound Grandpa have you ever raced your grandkid in a go kart Or have you run a zip line lately What would you say if your grandkid asked you what it would be like to die Do dogs go to heaven What is prayer and who is God Have you ever tried to bake bread with your grandkid when neither one of you knows how to bake bread How do you handle life when Grandma dies Where is the boundary line with Mom and Dad when it comes to giving opinions and advice The Grandpa s Manual walks with you as you seek answers to these and many other questions It is an exciting book that will move you in the direction of establishing the greatest role on earth being a Grandpa **Grandpa's Stories** Joe Kretoski, Jr., 2018-11-27 Grandpa s Stories is a partial compilation of Joe Kretoski s life experiences as well as a few other stories which are included that are important to the author Every story is true and has potential for spiritual application or character building These stories should be compelling to youngsters and oldsters Hopefully your vision of an all powerful God will be renewed and your faith increased If you are discouraged with life and are feeling hopeless Grandpa s Stories has the potential to plant a nugget of hopefulness into your heart God has not changed and He desires that we all love Him fervently May Grandpa s Stories touch your heart as it has the author s Happy reading **Grandpa's Stories** Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little

story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them **Grandpa's Words of**

Wisdom Stephen L. DeFelice M.D.,2021-06-04 Old timer physician Stephen L DeFelice with no holds barred describes to his grandchildren Olivia and Stephen Carlos how they are rapidly crossing the bridge from the traditional world into the cold controlling world of technology As a result we are all surrendering our privacy and freedom to others while puzzlingly there are few effective leaders to guide and protect us This book analyzes what people and governments are really like the dark side of technology and such subjects as our educational system the media our hate epidemic the sexual revolution evolution and the anti God movements as well as ways to adjust to this new unsettling world of technology He coined an interesting term The Internet Democracy as a major cause behind the dynamics fueling our chaotic technological based cultural explosion Dr DeFelice was born of Italian immigrant parents in 1936 in a home without a television or telephone and has had firsthand the unique privilege of personally observing and analyzing the power of increasing technology and its impact on our changing cultural values over four generations an opportunity that future historians will not have In 1976 he founded FIM the Foundation for Innovation in Medicine whose mission is to accelerate medical discovery www.fimdefelice.org *The Forgotten Times* Danny O'Kelly,2016-12-30 This book is about an old man that loved his family and his way of life This is also about the struggles of a young boy and his brothers being raised by their grandparents The setting is the foothills of the Blue Ridge Mountains of Northeast Georgia It is about siblings love for one another and their extended families and the most important call in his life by God while in the military This is the lives and the times of one man and his family that may seem like a fairytale to some but it is oh so true Where Grandpa's Been...
