Grams, 2022-02-03 This book is the true story of a boy who grows up with a great and wonderful man the love of Christ and the harsh journey he takes to understanding grace The desire to follow in his grandfather's footsteps is so overpowering that nothing else matters The older the boy becomes the harder to enjoy life outside of his grandfather's presence becomes The turmoil of his parents and schoolmates causes great distress and pain throughout the rest of his life The desire to be a friend to everyone and receive the love of others is tragically destroyed by the harshness of children and adults that don't know the love of Christ or care for other's emotions The daily grind of mean children as well as schoolteachers causes this child to question who he is and if anyone can love him other than his grandfather A true desire to understand God and understand those around him becomes too heavy and the emotional distress that this causes nearly puts an end to this young life Only the love of Jesus and his grandfather keeps him

on the correct path of life Fighting through the harder years of teenage life trying to prove his worth to his father dealing with a religious mother and the hatred of others this story is how a young man becomes an exceptional athlete as well as a cocky womanizer He hardens himself to those that have hurt him through the years including his own family The desire for his father to accept him becomes a lost cause and he separates himself from his religious mother to go his own way He never loses his love for his grandfather and the faith he has in God There are harsh and emotional situations in this book It may be hard to understand how people can be so cruel to those who want nothing more than to love and be a part of their life This book will show you that even though you may not realize it the Lord is with you even in times of distress We all look for the answers in life and why we go through the things we do This shows us that no matter what you go through there is one who is always with you and will help you get through anything I truly believe you will enjoy this book and believe and pray the message is loud and clear May the Lord bless you and keep you Dark Was the Night Tania Lorena Rivera,2021-09-05

Sirianni,2012-05 When they did need to find us our meeting place outside the school building was the Big Tree Wait at the Big Tree they told us It s where they dropped us off and picked us up After all these years that tree still stands at the corner of Crescent Street and Newtown Avenue in Astoria Queens The school is gone the nuns are gone our parents and most of the family are now gone There are no sounds of bells ringing no kids lining up on the block but that tree is still there

The only remaining vestige of my school days It s funny and maybe a bit symbolic given the sanctity of this particular ground that in a city a tree would out last a building and our very way of life In the sometimes funny sometimes heartbreaking saga of the Sirianni family of New York City author Fran Sirianni captures the zeitgeist of a generation that was born in the 1950s questioned things in the 1960s and came of age in the 1970s Fran s first person narrative tells the story of her family s arrival in the United States and how they embraced the opportunity of the America Dream to build a life of prosperity When tragedy strikes the family comes together to carry on despite the uncertainty of the times in which they live Wait at the Big Tree is a story of family of loss and of the inevitable change that occurs as we all come into our own **Shock and Paw** Cate Conte, 2024-08-20 The eighth installment in a charming cozy mystery series set on an island off the New England coast and featuring the cat cafe owner Maddie and her cat JJ Beware the cats of Christmas past It s the holiday season on Daybreak Island and Maddie James is looking forward to stepping out of the limelight watching the island s Christmas decoration competition from afar spending time with her boyfriend and family running tours for visitors as part of the festivities and spreading holiday cheer through cute cats in jingle bell collars But trouble hits close to home when word gets out that Donna Carey the publisher of the island s only daily newspaper where Maddie s best friend Becky is editor may be selling the business Becky is a diehard journalist and to her selling the only newspaper on the island is a fate worse than death She publicly opposes the potential sale wreaking havoc on her relationship with her big boss Maddie is sympathetic but she has her own problems like getting pulled into a role on the Christmas event committee despite her best efforts to stay far removed and solving the case of a mysterious cat breeder trying to sell expensive designer cats as holiday gifts on the island But then Donna winds up dead electrocuted by her own Christmas decorations and it appears to be more than an accident To make matters worse Becky becomes suspect number one Maddie is thrown into another murder investigation in order to save her best friend from a Christmas behind bars **The Lookout Tree** J.
