Grandpa's Backstory Larry Taliaferro, 2015-05-18 After facing the realization I was going to become a grandfather to a great little boy it seemed important to tell him something about his family history that occurred before he was born. With as busy as he is now in college it may be awhile before he slows down long enough to inquire. I simply started at the beginning with the first memory I ever had and chronicled many of the meaningful things in my life as I remembered them. I documented grade school, high school and college experiences. I then moved on to my time in the military and in the working world, all the while starting a family with a special woman, Trudy, my wife of nearly forty-seven years. The highlights in my life get a treatment including my travels and the events that affected me deeply enough to shape my thinking because I also share my many opinions. Here then is Grandpa's Backstory. Because Somebody Might Need to Know.

Grandpa's Hook Scott Degelman, 2008-05 America already has a tomb for the unknown soldier. Lawyer Blake Nepper told reporters: Can we not have one obituary for the unknown fetus? Ward Brown's daughter, Mindy, is newly pregnant. It's Thanksgiving of Mindy's senior year of high school. She has already been granted a college academic scholarship. She is no longer involved with her baby's father. Ward Brown fears the dastardly inevitable: he needs a miracle. Will he try anything to stop his daughter from aborting her baby? With help of a shrewd insurance CEO and his troubled lawyer, Ward Brown takes out a controversial life insurance policy on his unborn grandchild. As his daughter, Mindy Brown, endures her senior year, delaying an inevitable abortion, the world awaits a civil trial which could topple *Roe v. Wade*. A Grisham-like thriller, *Grandpa's Hook* engages, legalizes abortion much like *Uncle Tom's Cabin* engaged and helped end legalized slavery. Jedd Hafer. Scott Degelman came to know Jesus in 1998 at 29 years old. He then transferred his lifelong passion for writing into serving God through the arts. A published poet, speaker, novelist and songwriter, Scott is Director at a Colorado Boys Home where he has counseled for eight years. He is married with four children, the last five years. He will attend a final year of Bible College after he stops having kids. Scott has recently initiated a pro-life ministry entitled *Save One Soul*, its purpose to unify all pro-life sites and to propagate art for the pro-life cause. Scott came to know that, born in 1969, he would have been aborted had abortion been legal at that time. His subsequent passion for seeing abortion once again outlawed and his obedience to God created this
