How to Live According to Grandpa John Reseck Jr, 2023-10-31 We are presented with several million options during our life that we have to make a choice between The choices we make create the way we see the world and establish how we live in it This environment which we have created for ourselves is called our world Everyone has a world that is unique and personal to them Of course our worlds are based on assumptions that for one reason or another we choose to believe and call facts We are sure that what we believe takes precedence over everyone else s beliefs and that can make our world a bit of a challenge to live in at times I have decided to share my world with the rest of the world Not to convince anyone that my world is better than theirs but to share some of the things that I found helpful for the world at large In my eighty eight years as a well educated wonderer many of my assumed facts have been proven wrong I see that as progress a good thing The challenge is to be able to accept that one of your lifelong facts just isn t true I have only a few things that I

learned that have stayed true so far and have been stabilizers in my world I think they can be of use to almost everyone and need sharing I am not writing this book to encourage you to think like me but rather to just think There are things changing all around you So many new things to learn So many new places to visit So many edges out there you haven't walked on yet No matter how intelligent you are your areas of vast ignorance are greater than your areas of knowledge There is so much to learn that when you throw your arms up and say I know nothing it will be true but it is okay Every other human on earth is in the same situation they just don't know it We have robots with Artificial Intelligence AI far beyond any human right now that are working for us What will happen when they decide we are too dumb and of no use to them I believe this could be a far greater threat to human survival than global warming What do you think and why *Who Will Save Me from Grandpa?* Carrie Williams-Lee, 2018-05-26 You know you could have stopped it anytime you wanted to Imagine hearing these accusatory words spoken to you by your abuser your own grandfather Imagine hearing these words as a thirteen year old girl who has just mustered up enough courage to finally end the atrocious sexual abuse you have suffered during the most important developmental years of your life Imagine the lifetime of guilt and shame the loss of self and how these devastating events have impacted your heart mind body and spirit Here is the haunting yet empowering autobiographical journey through the life of just one of the abused *Urgent Advice from Your Catholic Grandpa* Robert A.
