Grandpa's Stories Ronald (Ronn) L. Shank,2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them

Reflections of a Mystic Drifter Jack Savage,2021-06-29 The story of one

man's journey throughout a lifetime to reach a deeper understanding of faith while remaining true to his own revelations. A search that led him to like minded people so that he might finally be able to practice his convictions without ridicule of the mystic he had become. A place where mystics have been accepted for two millennia and still is to this day. This is a timely look at the importance of faith in everyone's life and their own very personal journey to a relationship with their higher power. An understanding outside the influences of others and the acceptance we should all have of the various avenues to God.

At the Open Door Louise Robinson, 1913

Yiddish for Pirates Gary Barwin, 2016-04-05 Shortlisted for the Scotiabank Giller Prize and nominated for the Governor General's Award for Literature a hilarious swashbuckling yet powerful tale of pirates buried treasure and a search for the Fountain of Youth told in the ribald philosophical voice of a 500 year old Jewish parrot. Set in the years around 1492 Yiddish for Pirates recounts the compelling story of Moishe a Bar Mitzvah boy who leaves home to join a ship's crew where he meets Aaron the polyglot parrot who becomes his near constant companion. From a present day Florida nursing home this wisecracking yet poetic bird guides us through a world of pirate ships Yiddish jokes and treasure maps. But Inquisition Spain is a dangerous time to be Jewish and Moishe joins a band of hidden Jews trying to preserve some forbidden books. He falls in love with a young woman Sarah though they are separated by circumstance. Moishe's wanderings are motivated as much by their connection as by his quest for loot and freedom. When all Jews are expelled from Spain Moishe travels to the Caribbean with the ambitious Christopher Columbus a self made man who loves his creator. Moishe eventually becomes a pirate and seeks revenge on the Spanish while seeking the ultimate booty the Fountain of Youth. This outstanding New Face of Fiction is filled with Jewish takes on classic pirate tales fights prison escapes and exploits on the high seas but it's also a tender love story between Moishe and Sarah and between Aaron and his shoulder Moishe. Rich with puns colourful language post colonial satire and Kabbalistic hijinks Yiddish for Pirates is also a compelling examination of mortality memory identity and persecution from one of this country's most talented writers.
